Igniting Teacher Leadership William Sterrett,2015-12-14 William Sterrett serves as an associate professor and program coordinator at the University of North Carolina Wilmington Previously as a principal in Virginia Sterrett received the 2008 Milken National Educator Award Sterrett earned his B S in Middle Grades Education from Asbury College Kentucky and his Ph D in Educational Administration Supervision from the University of Virginia and he is the author of the ASCD books *Insights Into Action Successful School Leaders Share What Works* and *Short on Time How do I make time to lead and learn as a principal* **Teacher Leadership That Strengthens Professional Practice** Charlotte Danielson,2006-02-15 Every school relies on teachers who informally and voluntarily lead various efforts in the school These teachers may not be

appointed leaders or paid leaders but they are committed leaders they see a need and they respond to it What do these teacher leaders do that is different from the work of excellent teachers who are not teacher leaders If we can articulate those skills says Charlotte Danielson then we can take steps to enable more teachers to develop those skills and be better equipped to tackle special projects **Teacher Leadership That Strengthens Professional Practice** is designed to be a resource not only for prospective teacher leaders but also for administrators who want to better support the development of outstanding teacher leaders Teachers seeking to expand their leadership capacity will learn how to recognize an opportunity and take initiative mobilize colleagues around a common purpose marshal resources and take action monitor and adjust the initiative sustain the commitments of others and contribute to the learning organization Administrators will find advice on how to cultivate promote honor and empower teacher leaders and how to work with them to successfully present innovations to the school community In short this book gives individuals and schools a practical framework for tapping teachers leadership potential and marshaling their efforts to better educate students and create a stronger learning community As Danielson convincingly shows genuine teacher leadership is a powerful force for constructive change *Every Teacher as a Leader* Marilyn Katzenmeyer, Gayle Moller, 1996-11-05 Every day principals assistant principals superintendents and others in educational leadership positions struggle to manage day to day school operations and still find time to champion school reform Meanwhile teachers remain a largely untapped resource With their daily access to students and immediate understanding of what contributes to and what stands in the way of improving learning experiences teachers have the knowledge experience and leadership potential to bring about significant reform But how can principals and others effectively tap this resource What leadership roles are appropriate for teachers given their other responsibilities Where can they be most effective How can schools identify potential leaders among teachers and support their leadership work The authors of this volume address these and other important questions providing insights and ideas for ways to capitalize on this important but sadly underutilized resource This is the first issue of the quarterly journal *New Directions for School Leadership* For more information on the series please see the Journals and Periodicals page **Teacher Leadership** Elaine L. Wilmore, 2007-05-23 Wilmore integrates school reform research with strategies for increasing classroom leadership capacity and offers a global perspective on classroom teachers participation as leaders of students and schools **Uncovering Teacher Leadership** Richard H. Ackerman, Sarah V. Mackenzie, 2007-01-25 Immerse yourself in exploring the heart of teacher leadership Practicing the art of teacher leadership requires self reflection creativity and discipline This comprehensive reader brings together the top voices in the field encouraging teacher leaders to examine the tensions in their practice Edited by recognized leadership experts Richard H Ackerman author of *The Wounded Leader* and Sarah V Mackenzie this must have resource contains classic essays and contemporary gems that explore teacher leadership in insightful and surprising ways This well organized compendium features stories and lessons from teacher leaders that

explore current issues underlying feelings and fresh perspectives Within a five part structure each section begins with an introduction and closes with questions designed to encourage reflection and discussion Readers will be able to use Stories essays and research findings for insight and exploration Protocols to structure conversations about common issues Ideas for inspiring and motivating other educators to examine and improve their practices Revealing the inner world of teacher leaders will prompt readers to think more deeply about their own leadership *Improving Schools Through Teacher Leadership* Harris, Alma, Muijs, Daniel, 2004-12-01 Focusing on the ways in which leadership can be fostered and enhanced this text argues that teacher leadership is an intrinsic and important part of school and classroom improvement as well as considering the roles responsibilities and influences of teachers who lead
