Troyuan Chronicles... Book Five Ernest Velon,2011-03-23 From my father who I remember as a faded dream I was given his stamina and the will not to give in From my mother who took up the burden after my father left the world gave me the love and deep feelings I will draw upon when faced with an emotional crises From my brother whose scheming and jealousy never ceased gave me a higher sense of competition that made me better than the lazy peasants From my fun loving friends who have all gone their separate ways gave me that variety of companionship and the honesty amongst blood brothers that shall never perish From my God who is unique from within and without the desire to seek and use the wisdom of her blessed and holy words From my adopted father who took a dangerous chance one early morning gave me a new life and opened the door to the stars These things I now know are the foundation stones of my life a life that continues to unfold with each chapter I am forced to experience

Thracian Eferratus Ernest Velon,2020-06-08 Since the death of my fighter my career has taken a new turn The young humanoid I acquired has opened new profit ventures His name is Thracian that which fights in Lolobian As long as he performs and makes money I m happy Practicing makes him an expert killer and he has only to touch a weapon and knows

how to use it Physically he is a terrible foe to stand against I pity the dumb aliens and low gutter humans we are going up against Thracian will chop them up and swallow them whole I estimate his metabolism burns three times the humanoid norm making him deadly in speed and strength He is a born killer capable of dismembering you piece by piece and yet he gets mad if you call him a butcher But there s this soft side which might cause problems in the future [The Man from Hardin](#) Ernest Velon,2002-05-20 It is the end of old times and the start of new ones It is an exodus from previous stagnation to a life of infinite revelations It is the first chapter for a young man and the last moment in a child s imagination It is the first step in a long career for Alack Troyus a career that will take him to vistas only the stellar privileged are permitted to gaze upon Join us in his onward trek to become an agent of the special services Follow his antics his triumphs and tragedies along the road of life s experiences Guided by a master puppeteer who secretly places in Alack his own salvation both come to learn from another Both achieve that rare balance that draws an aspiring hero from the muck of society Against the vast panorama of the Amazian Imperium who s arms touch the four corners of the known universe Alack is molded and sharpened to up hold the Code of Dwitinton A great legal compendium that grants freedom to human and alien alike Alack Troyus joins the secret army of enforcers An army that fights evil in the darkness so the light can shine brightly forever [The Troyuan Chronicles... Book Two](#) Ernest Velon,2005-08-23 We look back through the fathoms of past ages to the Classical Times when all Amazia sang the song of achievements With inner envy and a hammer blow from the subconscious backlash of tears and torment crying how can this have happened Where did we go wrong Like a parent whose child has gone astray we weep over the wreckage of what once was and only dream of what could have been As we ponder through the ages embedded in the decaying Imperial Archives my wife and I discover the cache of data crystals Once lost or forgotten buried within the ruins of the Capital Areas infrastructure we now bring to light the sagas of a lost world Such wondrous times are embodied within we sing of a freshness never felt Of a remarkable Young Man Alack Troyus and his mission to fight crime and injustice from the Special Services His adventures span the entire length and depth of an age long ago forgotten Fighting the evils of a brave new Empire a true hero we of these dreary days only dream about in a child s apprehension The passage of time is relentless unyielding a constant beating of the elements against our fragile memories But here in the dimness of these ruins the glory is revealed and the truth once again shines forth Amazia her Society her government and servants the vitality is reborn in the tales Such stories of youthful energy where all of stellar creation is a playing field for Alack Troyus going recklessly forward never stumbling but always landing on his feet His voice once only a silent whisper now a shout bridging the ages circling the fallen pediments they rise up in grandeur restored as the tales live again Ernest Velon Larentia 9814 U C **Omnitempus / the Quenar Affair** Ernest Velon,2013-09-24 Who would have guessed in the twentieth year of His Glory s reign the peace of an entire Galactic Dominion would be shattered Like a pane of silicon glass clear and unblemished broken by a sudden malevolent blow To those happy prosperous people of faraway Playsaria who are enjoying the fruits and blessings of the

famed Pax Amaziana that shattering unveiled a sudden monstrous design Without notice seething tentacles unraveled from a central pit causing the strangulation of so many fine comrades A sickening malignancy striking at the very heart of what people cherish as decent swept down like a wave of churning death Planetary systems nameless and innocent teeming with the bounty of their fathers efforts are torn apart like a piece of meat in a pair of ravenous jaws Desperate populations wallowing in the ruins of their worst nightmares witnessed horrors surged up from the abysmal depths of chaos engulfing all Only a sane mind would recoil in anguish crying out for justice in the emptiness **The Troyuan Chronicles Book Nine** Ernest Velon,2023-06-23 Only one outstanding man finds himself pursuing the impossible He suffers a variety of intense crimes no one can fathom Ranging from hunting a criminal genius outsmarting the murderous designs of corporate animals to exposing psychic monsters from demons of ages past and combating the gruesome horror unleashed on a planet of the innocent Such challenges may stymie and abuse the hero but Alack Troyus overcomes the mental tortures which would kill any other of his profession Through all the painful trials it only enhances his strength buttressing his fortitude and forging a better man **Troyuan Chronicles Book Three** Ernest Velon,2006-08-01 What more can be said about the corruption and decadence that breeds decay and idleness in Society What solutions can be had that will prevent a civilization from slipping from a progressive stance to a downward slide into obscurity How can a single individual wrestle with this ugly monster hoping to bend the brute into submission his efforts are one against ever increasing numbers Alack Troyus finds the path his Goddess made for him a treacherous one as he continues to fight within the silent army But the Young Man s efforts are not without some reaction from the worlds around and their effects upon the future of the Amazian Imperium Like a tossed stone in a body of water his rings of justice escape outward to embody even the darkness beyond the warmth of the light of reason
