 subject for and a potent heuristic instrument of diaspora studies This special focus inquires into the forms and functions of
 symbols of diaspora both in aesthetic practice and in critical discourse analyzing and theorizing symbols from Shakespeare to
 Bollywood as well as in critical writings of theorists of diaspora What kinds of symbols and symbolic practices contributors
 ask are germane to the representation both emic and etic of diasporics and diasporas How are specific symbols and symbolic
 practices analyzed across the academic fields contributing to diaspora studies Which symbols and symbolic practices inform
 the academic study of diasporas sometimes unconsciously or without being remarked on To study these phenomena is to
 engage in a dialogue that aims at refining the theoretical and methodological vocabulary and practice of truly
 transdisciplinary diaspora studies while attending to the imperative of specificity that inheres in this emerging field The
 volume collects a range of analyses from social anthropology history and ethnography to literary and film studies all
