**Mad Toffs - The British Upper Classes at Their Best and Worst** Patrick Scrivenor, 2016-11-03 This book is a record of the British upper classes and a few others at their best sometimes their worst displaying a sort of unhinged blitheness of manner that leads them to say and do strangely unexpected things It is a quality of innocent insolence or maybe guileless arrogance which belongs only to the very rich the very privileged and the very idle Consider the duke who on being told by his butler that there was no bread demanded to know why he had not been brought toast or the earl whose passion for his good looking young footmen led to their tinkling with the jewellery he had given them Or the duke who when it was tentatively suggested that he might as an economy dispense with one of his six chefs the pastry cook gazed bleakly at his straitened future and asked plaintively Can t a chap have a biscuit Patrick Scrivenor has combed the annals of the British aristocracy to provide an illuminating and wildly funny portrait of people who though often talented in their own fields courteous and well meaning generous and even liberal minded none the less display a certain disconnectedness from the realities that tend to afflict the less elevated echelons of society The result is clear evidence that what many call eccentricity the more rational would probably describe as plain bonkers Whether you aspire to the upper reaches of the Establishment yourself or long for the Revolution and the tumbrils carrying the toffs to their horrible fate this is a book to amuse delight mystify amaze and occasionally outrage any reader *Books in Print* ,1987 *Is He Popenjoy?* Anthony Trollope, 1907
