

A vibrant, fantastical illustration of a lush jungle. In the center, a large, blue, dragon-like creature with a long, pointed snout and a red and orange mouth is perched on a branch. To its right, a colorful bird with blue, yellow, and red feathers is perched on a branch. The background is filled with dense, colorful foliage, including yellow and red flowers, and a bright, glowing light source in the distance. The overall style is highly detailed and colorful.
