As it is Tony Parsons, 2000 *As It Is* is a profound and radical work that points to the fundamental freedom that is independent of path process effort or belief In these pages the reader is taken on a journey one that clearly reveals that there is nothing to become nor any specific goal to attain Rather what is shown is how a deep rooted misperception of our true identity has caused us to live in apparent pain and fear Through the direct perception of what is as it is Tony Parsons offers the reader a very practical and accessible approach to authentic spiritual realization His invitation is to live life from a wholly different perspective one centered in the infinite awareness of one's true Self Man and Boy Tony Parsons, 2013-06-04 Set your other books aside for a day or two and read straight through *Man and Boy* USA Today Some situations to avoid when preparing for your all important finally I am fully grown thirtieth birthday Having a one night stand with a colleague from work The rash purchase of luxury items you can't afford Being left by your wife Losing your job Suddenly becoming a single parent If you are coming up on thirty whatever you do don't do any of that It will f up your whole day The American Short-horn Herd Book, 1917 No-Point Perspective Justin Allen, Andreas Müller, 2020-09-02 This project roughly planned to be a kind of modern day normal persons non stigmatized non religious and no beliefs affiliated Bhagavad Gita a simple dialogue between Justin Allen the prince Arjuna and his guide Andreas Müller Krishna However it turned out that Justin is not a prince and Andreas is not a guide In that sense this is just a collection of talks about so called non duality No Point Perspective with no spiritual religious or scientific intentions However amazingly it turned out to be an apparent deep exploration on this topic The talks took place from October 23rd 2019 to March 23rd 2020 **The American Shorthorn Herd Book**, 1917 **The Roxy London Wc2** Paul Marko, 2007 **The Stories We Could Tell** Tony Parsons, 2006

*Man and Wife* Tony Parsons, 2002 Harry Silver returns to face life in the blended family A wonderful new novel about modern times which can be read as a sequel to the million selling *Man and Boy* or completely on its own *Man and Wife* is a novel about love and marriage about why we fall in love and why we marry about why we stay and why we go Harry Silver is a man coming to terms with a divorce and a new marriage He has to juggle with time and relationships with his wife and his ex wife his son and his stepdaughter his own work and his wife's fast growing career Meanwhile his mother who stood so steadfastly by his father until he died is not getting any younger or stronger herself In fact everything in Harry's life seems complicated And when he meets a woman in a million it gets even more so *Man and Wife* stands on its own as a brilliant novel about families in the new century written with all the humour passion and superb storytelling that have made Tony
