Comfort Ilia Kavaja,2016-03-30 Today more than ever before in human history the dependency for comfort along with the indispensable necessity of moral emotional and spiritual encouragement is in conflict with the iniquitous disposition of this present day society The spirit of this world continues to resist and debilitate the divinely instilled organic appetite that is part of human original nature personality and character Even though the surrounding world tries to convince us as if we are unlovable worthless and unforgivable this volume will inspire our sensibleness so as to persist with the needed confidence for finding or seeing the respectable extent of our own worth on the supreme pedestal of God's given image and moral strength We are exquisitely designed and divinely designated to remain everlastingly precious in love goodness and reassurance Even though our own heart tends to discourage and condemn us this comforting volume will empower our vision to discern the true meaning and purpose of human existence by authenticating the greatness of our value with eternity in view The structure of human nature character and personality would not be reliable pertaining to fundamental moral strength lasting comfort and true happiness unless exist a supreme purpose to appreciate the reason of holding on to such an objective In actual fact without this perpetual purpose along with love faith and hope that galvanize our mind heart and soul there would not dwell the needed optimism for the author to initiate such painstaking descriptive work
