Separating from our other parent can be one of life s toughest challenges When we separate with children trying to navigate how to bring them up together becomes much harder The separation process may become confrontational and when children watch their parents fight or become pawns in that fight the safe parental bubble they have lived in up to that point bursts The Co Parenting Method based on the award winning coaching methodology of The Co Parent Way™ guides co parents through their separation in a way that allows them to keep their children safe whole and protected It gives co parents the skills and knowledge they need to keep a safe parental bubble intact for their children whatever they may feel about each other Marcie is an excellent advocate for making co parenting work she brings the voice of the child which can often be lost when parents are separating to the forefront of the discussion Barbara Reeves Head of Family Law Mishcon de Reya LLP

**Becoming Successful (Harvesting Your Success)** Gaddiel R. Ackah,2021-07-15 Conclusion When moments pass in our lives and we realize that our lives mismatch the life we imagined in our past its better we change our current choices decisions and dreams so that we can enjoy better life in future because everything you are doing now reflects your life in the future We reap what we sow Successful life is never a mere hoping and wishing but it s about active doing active determination and active becoming by sowing meaningful big dreams and investments today to get meaningful life tomorrow Becoming successful is not limited to age location or education It is only limited to I won t Success depends on principles and positive use of your brain The human brain including yours are the storehouse of all the magic we need to heal all the wounds of unsuccessful lives in our world Just change your altitude and take first step to begin something now and you will enjoy success as J K Rowling said We do not need magic to transform our world We carry all of the powers we need inside ourselves already It s never too late too young or too old to begin planning your future from now and get started all over by dreaming newer goals and possibilities today for a better future Officer Ackah using practical examples prompts readers that the great technological and infrastructural advancements and positions in the United States and elsewhere did not magically fall from the sky but they were created by the positive application of the minds of ordinary people like you This book helps you to change your altitudes thinking and get started to create unimaginable successes advancements and positions in our world to place you on top and you will become the topic of remembrance Officer Ackah speaking from personal experiences of victory and success from both the civilian and military points has provided the positive passionate practical and possible principles to arouse your appetite for creating unbelievable successes to change your life exceptionally and to effect inimitably the transformation of our world Gaddiel R Ackah is encouraging readers in finding freedom in their lives to

overcome the three mistakes that block successful living fear to identify one's purposes in life ignorant of how powerful their brain can work to change things and the misunderstanding of creating desirable successes He prompts that you are not living to tiptoe and die but to achieve your dreams by your positive and courageous daily choices and investments When life is not okay but you are struggling in life this book is for you to reexamine and change your goal job title and social status 2 2
