Tree of Life Bible Commentary: The book of Ruth Jon Courson, 1993 **Disciple IV Under the Tree of Life: Study Manual** Various, 2010-09-01

Participants in Disciple IV Under the Tree of Life will recognize the familiar rhythm and requirements of daily Scripture reading and note taking in preparation for the discussion in the weekly group meeting. The study manual guides daily study of the biblical text and calls for written responses that become grist for discussion in the weekly group meeting. Two new elements in the study manual format represent special emphases in this study: the Psalm of the week and the radical disciple. The Psalm of the week will lead people into a deeper life of prayer using Psalms as a guide. It is to be prayed aloud both daily and weekly in the study group session. Study manual suggestions on experiencing the Psalm of the week pay attention to feelings as well as words. The radical disciple focuses on thoughts or actions relevant to the weekly theme. Whether praying or taking steps toward radical discipleship, participants know they are not alone; the community is there. Each member of the group needs a study manual and a Bible. The Bible is the text for the study and the study manual will guide group members in their study and preparation for the weekly group session. The study manual also includes suggestions for individual research and study-related activities. Space is provided for taking notes while reading Scripture for recording thoughts and questions arising out of daily study and for notes during the weekly group session. The titles of the sessions, along with theme words and theme verses and major persons, events, and topics, will set the sequence of the biblical story in the minds of the participants. The principal Scripture for each session follows the chronological movement of the biblical story. Disciple IV Under the Tree of Life is the final study in the four-phase DISCIPLE program. The study concentrates on Old Testament Writings: the Gospel of John, the Epistles of John, James, Jude, and finally Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads naturally to an emphasis on worship in the study. Present throughout the entire study is the sense of living toward completion toward the climax of the message and the promise extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures. The word "under" in the title is meant to convey invitation, welcome, sheltering security, and rest home at last.

Commitment and Time Involved: 32-week study, Three and one-half to four hours of independent study each week, 40 minutes daily for leaders and 30 minutes daily for group members in preparation for weekly group meetings. Attendance at weekly 2.5-hour meetings.

Beholding the Tree of Life: A Rabbinic Approach to the Book of Mormon Bradley J. Kramer, Too often readers approach the Book of Mormon simply as a collection of quotations, an inspired anthology to be scanned quickly and routinely recited. In *Beholding the Tree of Life*, Bradley J. Kramer encourages his readers to slow down, to step back, and to contemplate the literary qualities of the Book of Mormon using interpretive techniques developed by Talmudic and post-Talmudic rabbis. Specifically, Kramer shows how to read the Book of Mormon closely, in levels, paying attention to the details of its expression as well as to its overall connection to the Hebrew Scriptures, all in order to better appreciate the beauty of

the Book of Mormon and its limitless capacity to convey divine meaning

The Tree of Life Douglas Estes,2020-03-17 The tree of life is an iconic visual symbol at the edge of religious thought over the last several millennia As a show of its significance the tree bookends the Christian canon yet scholarship has paid it minimal attention in the modern era In *The Tree of Life* a team of scholars explore the origin development meaning reception and theology of this consequential yet obscure symbol The fourteen essays trek from the origins of the tree in the texts and material culture of the ancient Near East to its notable roles in biblical literature to its expansion by early church fathers and Gnostics to its rebirth in medieval art and culture and to its place in modern theological thought

Proverbs and the African Tree of Life Dorothy BEA Akoto-Abutiate,2014-08-07 In *Proverbs and the African Tree of Life* Dorothy BEA Akoto Abutiate juxtaposes chosen sayings from Proverbs and selected Ewe Folk proverbs using the agricultural metaphor of grafting which she calls a hermeneutic of grafting Though these two sets of sayings come from completely different cultural contexts Akoto argues that folk sayings proverbs which abound in Africa should be considered as an already mature established tree on to which a piece of the biblical tree is spliced or engrafted to produce hybridized fruits that have uniquely different tastes than the fruits of each tree individually This metaphorical grafting process allows the message of the Bible in Proverbs to be understood imbibed and appropriated in Africa
