**The Secret History of Soldiers** Tim Cook, 2018-09-18 There have been thousands of books on the Great War but most have focused on commanders battles strategy and tactics Less attention has been paid to the daily lives of the combatants how they endured the unimaginable conditions of industrial warfare the rain of shells bullets and chemical agents In *The Secret History of Soldiers* Tim Cook Canada's foremost military historian examines how those who survived trench warfare on the Western Front found entertainment solace relief and distraction from the relentless slaughter These tales come from the soldiers themselves mined from the letters diaries memoirs and oral accounts of more than five hundred combatants Rare examples of trench art postcards and even song sheets offer insight into a hidden society that was often irreverent raunchy and anti authoritarian Believing in supernatural stories was another way soldiers shielded themselves from the horror While novels and poetry often depict the soldiers of the Great War as mere victims this new history shows how the soldiers pushed back against the grim war refusing to be broken in the mincing machine of the Western Front The violence of war is always present but Cook reveals the gallows humour the soldiers employed to get through it Over the years both writers and historians have overlooked this aspect of the men's lives The fighting at the front was devastating but behind the battle lines another layer of life existed one that included songs skits art and soldier produced newspapers With his trademark narrative abilities and an

unerring eye for the telling human detail Cook has created another landmark history of Canadian military life as he reveals the secrets of how soldiers survived the carnage of the Western Front **A Soldier's Friend** Megan Rix,2014-05-01 SAMMY is a football crazy rescue puppy MOUSER is a fearless black and white tomcat Together they make an unlikely pair that won't be parted not even by the First World War As the war rages in Europe Londoners are sending brave animals to help the soldiers and Mouser and Sammy are soon on their way to the trenches Boldly criss crossing no man's land they make new friends of every nationality and reunite with old ones But on the muddy front line under fire and constantly in danger will their friendship be enough to save them so they can return home together If you love Michael Morpurgo you will enjoy this Express A moving tale told with warmth kindness and lashings of good sense that lovers of Dick King Smith will especially appreciate The Times Every now and then a writer comes along with a unique way of storytelling Meet Megan Rix her novels are deeply moving and will strike a chord with animal lovers LoveReading About the author Megan Rix lives in England with her husband and their adorable dogs Traffy and Bella Also available by Megan Rix The Great Escape The Victory Dogs and The Bomber Dog [www.meganrix.com](http://www.meganrix.com) **The Soldiers' Press** G.
