We Were Seven:

The Seventh Man Joy Oti,2015-04-14 THE SEVENTH MAN is a beautifully written work of prose which narrates the experience of Lulu a vivacious teenager whose life is transformed by an experience in a faraway country The story of the protagonist captures the impulsive and tumultuous emotions of youth from the pedestal of artistic suspense and a lucid language The writer takes the reader on a memorable journey not just into the life of a down to earth and wilful character but importantly into various cultures faiths and attitudes Lulu soon personifies the challenges inherent in missionary work the terrors of being captured and tortured the sweetness of escape and the humbling realisation of the awesome power of a benevolent Creator In spite of her religious upbringing and leading a life she believed was consistent with the tenets of her faith she eventually encounters the seventh man in an unexpected way that confounds the readers imagination Black Submariners in the United States Navy, 1940-1975 Glenn A. Knoblock,2015-05-20 For as long as an American naval force has existed black sailors have served it with bravery distinction and little or no recognition They have since earned praise for service in the American Revolution the War of 1812 and the Civil War and more recently they were integral to the development of the U S Submarine Service Their roles limited by segregation black submariners nonetheless were a key element of the Silent Service throughout World War II With desegregation came expanded opportunities and black submariners witnessed the birth and evolution of the nuclear powered submarine and some of the tensest moments of the Cold War These men paved the way for those who followed their contributions deserve recognition and their stories deserve to be told This exploration of the role of African American submariners chronicles their service from World War II through the Cold War era An historical overview of black sailors and the evolution of the Steward s Branch to which black sailors were eventually restricted precede descriptions of becoming a steward and a submariner and of life as a submariner during World War II An account of black submariners in post war service during desegregation the development of the nuclear submarine and throughout the Cold War follows Oral histories of more than fifty black submariners who served in World War II and post war form the heart of the book Photographs of the men profiled including wartime photographs complement the text Appendices outline the naval steward rating system list all black submarine stewards serving in World War II top stewards by number of war patrols and those lost or killed during wartime service Rear Admiral Melvin G Williams Jr submarine fleet commander and son of one of the men profiled provides a foreword *The Old World, the New World, and the Creation of the Modern World, 1400-1650* Aaron M. Shatzman,2013-08-01 The Old World the New World and the Creation of the Modern World 1400 1650 An Interpretive History provides a unique look at the early years of European discovery and colonization examining the impact of this period on the historical development of both the New and Old Worlds The text is enhanced by the incorporation of a wide variety of original source material allowing readers to benefit from a more first hand experience of the historical events of the period Providing the essential facts in conjunction with expert analysis the volume

poses a number of important questions to enable readers to construct their own analysis of the evidence presented. Uniquely, the volume goes beyond the standard textbook formula of what, when, and where to delve more deeply into the specific as well as the wider significance of historical developments, thereby providing the platform for a textured interpretive understanding of the history of the Atlantic world.

Glimpses of Oneida Life, Karin Michelson, Norma Kennedy, Mercy Doxtator, 2016-01-01

Glimpses of Oneida Life is a remarkable compilation of modern stories of community life at the Oneida Nation of the Thames Settlement and the surrounding area. With topics ranging from work experiences and Oneida customs to pranks, humorous encounters, and ghost stories, these fifty-two unscripted narrations and conversations in Oneida represent a rare collection of first-hand Iroquoian reflections on aspects of daily life and culture not found in print elsewhere. Each text is presented in Oneida with both an interlinear word-by-word translation and a more colloquial translation in English. The book also contains a grammatical sketch of the Oneida language by Karin Michelson, co-author of the Oneida English-English Oneida Dictionary that describes how words are structured and combined into larger linguistic structures, thus allowing *Glimpses* to be used as a teaching text as well. The engrossing tales in *Glimpses of Oneida Life* will be a valuable resource for linguists and language learners, a useful source for those studying the history and culture of Iroquois people in the twentieth century, and an entertaining read for anyone interested in everyday First Nations life in southern Ontario.

Modern Loss, Rebecca Soffer, Gabrielle Birkner, 2018-01-23

Inspired by the website that the New York Times hailed as redefining mourning, this book is a fresh and irreverent examination into navigating grief and resilience in the age of social media, offering comfort and community for coping with the mess of loss through candid, original essays from a variety of voices, accompanied by gorgeous two-color illustrations and wry infographics. At a time when we mourn public figures and national tragedies with hashtags, where intimate posts about loss go viral, and we receive automated birthday reminders for dead friends, it's clear we are navigating new terrain without a road map. Let's face it: most of us have always had a difficult time talking about death and sharing our grief. We're awkward and uncertain; we avoid, ignore, or even deny feelings of sadness; we offer platitudes; we send sympathy bouquets whittled out of fruit. Enter Rebecca Soffer and Gabrielle Birkner, who can help us do better. Each having lost parents as young adults, they co-founded *Modern Loss*, responding to a need to change the dialogue around the messy experience of grief. Now, in this wise and often funny book, they offer the insights of the *Modern Loss* community to help us cry, laugh, grieve, identify, and above all
