Wealth Or Mammon:

Wealth Or Mammon Ray Landers,1998-01-01 Learn to distinguish between Wealth and Mammon so you can be empowered to receive wealth *The Book of Mammon* Robert Harding Morris,2005-03-28 Everyone yearns for the good life where children are reared in a loving stimulating environment where youth are prepared for their future where adults achieve satisfaction through personal relationships and meaningfully rewarding work and where seniors find peace in their golden years Typically it entails economic sufficiency Yet when this universal hope becomes reality many Christians confront a disturbing faith challenge Jesus taught his followers to postpone earthly satisfactions until the next life In the present world their blessings will be found in poverty hunger sorrow and persecution Woe to those with wealth full stomachs laughter and popularity Christ practiced and demands self denial not self satisfaction Entry into Jesus severe life style is difficult and the path is arduous Multitudes are called but only a select few actually follow the way to eternal life that requires crucifixion of one s self This book is a thought provoking biblical analysis of the gospel s opposition to wealth One cannot serve both God and money The Christian dilemma is that practical faith absolutely requires compromise Money is necessary for daily life and future needs How is it possible to follow Christ in this money driven society The Book of Mammon searches the Bible for the surprising resolution God Or Mammon? Ayo Akerele,2017 For many years the body of Christ has been subjected to ridicules and criticism owing to the financial practices of the church Many whom God has entrusted with money have used it to advance their selfish interests While being financially prosperous is not sinful in itself the motive behind the need source and purpose of money often conflicts with biblical standards There is therefore an epidemic of confusion in the differences between what is God s and what is Mammon s Uncovering the true source and purpose of finances for Christians and the church at large is the main motivation for writing this book Secondly raising a new generation of kingdom minded Christians who can be entrusted with heaven s resources is the motivation behind this work Above all steering the hearts of believers and church leaders to use resources and finances at large to expand God s kingdom on earth is the focus of this work *The Chautauquan* ,1881 *St. Stephen's Review* ,1886 **The Power of Money** Ola Zaccheus,2020 Money is critical and important for survival The Scriptures say money is a defence Ecclesiastes 7 12 Money therefore is a powerful instrument It is either you control money or money controls you Money does not control you directly It controls you through the things it can do for you Due to the ability that money has to control it therefore follows that if you don t make a conscious decision to submit money to God it will usurp God out of your life and take the place of God In this book the author gives a great deal of insight on money and how it can be used as a positive instrument in changing lives **The New Testament of Our Lord and Saviour Jesus Christ: The four gospels** ,1893 The Four Gospels According to the Authorised Version How,1873 **The four Gospels** ,1876 **The New Testament. intersection of biblical interpretation and contemporary politics this book stands out as an imagined political campaign guide based on a creative deep dive into Luke's vibrant evangelical account of Jesus's messianic mission. It seeks to challenge any group that blithely claims Jesus's endorsement of their partisan agendas today but especially those trumpeting authoritarian rule. Close attention to Luke's narrative discloses a distinctive figure who strikingly ill fits standard strongman profiles and straitjacket labels. Warning: If Luke's Jesus doesn't change your vote, he might well change your mind, challenge your life, and shake up your politics along the way.
