particular poets and poems Works by Donald Justice James Tate Paul Muldoon Jorie Graham Seamus Heaney and Czeslaw Milosz are among those studied None of the pieces was written in direct response to any of the others nonetheless they complement each other forming a kind of dialogue Because editors Jerry Harp and Jan Weissmiller selected writers who give us a broad range of perspectives on our postmodern moment as they reach into history for context the collection offers students the next generation of poets and critics and their teachers exemplary models of fine critical writing and thought
