**The Lives of Amish Women** Karen M. Johnson-Weiner, 2020-09-15 Presenting a challenge to popular stereotypes, this book is an intimate exploration of the religiously defined roles of Amish women and how these roles have changed over time. Continuity and change, tradition and dynamism shape the lives of Amish women and make their experiences both distinctive and diverse. On the one hand, a principled commitment to living Old Order lives purposely out of step with the cultural mainstream has provided Amish women with a good deal of constancy. Even in relatively more progressive Amish communities, women still engage in activities common to their counterparts in earlier times: gardening, homemaking, and childrearing. On the other hand, these persistent themes of domestic labor and the responsibilities of motherhood have been affected by profound social, economic, and technological changes up through the twenty-first century, shaping Amish women's lives in different ways and resulting in increasingly varied experiences. In *The Lives of Amish Women*, Karen M. Johnson-Weiner draws on her thirty-five years of fieldwork in Amish communities and her correspondence with Amish women to consider how the religiously defined roles of Amish women have changed as Amish churches have evolved. Looking in particular at women's lives and activities at different ages and in different communities, Johnson-Weiner explores the relationship between changing patterns of social and economic interaction with mainstream society and women's family, community, and church roles. What does it mean, Johnson-Weiner asks, for an Amish woman to be humble when she is the owner of a business that serves people internationally? Is a

childless Amish woman or a single Amish woman still a Keeper at Home in the same way as a woman raising a family What does Gelassenheit giving oneself up to God's will mean in a subsistence level agrarian Amish community and is it at all comparable to what it means in a wealthy settlement where some members may be millionaires Illuminating the key role Amish women play in maintaining the spiritual and economic health of their church communities this wide ranging book touches on a number of topics including early Anabaptist women and Amish pioneers to North America stages of life marriage and family events that bring women together women as breadwinners women who do not meet the Amish norm single women childless women widows and even what books Amish women are reading Aimed at anyone who is interested in the Amish experience *The Lives of Amish Women* will help readers understand better the costs and benefits of being an Amish woman in a modern world and will challenge the stereotypes myths and imaginative fictions about Amish women that have shaped how they are viewed by mainstream society *Reclaiming Judaism as a Spiritual Practice* Rabbi Goldie Milgram, DMin, 2012-04-13 Wake up your Jewish spiritual life and restore your soul Has your heart ever been broken by loss divorce disappointment awe fear hope Have you multitasked worked past the level of your endurance accumulated possessions jumped the hurdles and gotten the grades only to wonder Is that all there is Do you wish for a life that is physically grounded emotionally satisfying intellectually expansive and profoundly connected These are the qualities Judaism can provide when you understand how to practice it from the Introduction This inspiring guidebook is your wake up call for understanding the powerful intellectual and emotional tools that are essential for a lively relevant and fulfilling Jewish spiritual practice Designed to become a lifelong resource for holy days and Shabbat it presents Judaism as an evolving tradition in which you are the entrusted heir The exercises and practices draw from the foundations of Judaism and empower you to create meaningful satisfying contemporary Jewish experiences for how you live today *The Wedding Secret* Kianna Alexander, 2020-09-14 A chance encounter with a handsome groomsman turns into so much more for a newly single wedding florist in this romance short story After discovering her fiancé's public and utterly embarrassing infidelity florist Renata McPherson is left dateless to her beloved client's nuptials But meaningful eye contact with one devastatingly handsome groomsman leaves Renata unexpectedly breathless As a contractor Amir Robertson has quite the knack for design Though he has no plans for rebuilding the gorgeous shop owner's heart at first Their no strings attached arrangement could soon fail when a secret that joins them forever is revealed **Nicolas Sarkozy and Carla Bruni** Valerie Benaim, 2011-11-21 Nicholas Sarkozy was elected President of France with a broken heart Shortly after he took office his second wife Ceceila left him for another man He sat brooding alone by night in the Presidential Palace Though on top of the world and one of the most powerful men in Europe he felt very much alone Sick of his own company he asked a friend to arrange a dinner party and Carla Bruni was included on the guest list A former supermodel and chart topping singer songwriter Carla had a reputation as a man eater and she dined on the most exclusive Cordon Bleu Her former suitors and boyfriends included Eric
