**Adventures in Remote Parts of the Upper Amazon River, Including a Sojourn Among Cannibal Indians** Algot Lange,2007-07 It is difficult if not impossible to find a more hospitable and generous nation than the Brazilian The recollection of my trip through the wilds of Amazonas lingers in all its details and although my experiences were not always of a pleasant character yet the good treatment and warm reception accorded me make me feel the deepest sense of gratitude to the Brazilians whose generosity will always abide in my memory There is in the Brazilian language a word that better than any other describes the feeling with which one remembers a sojourn in Brazil This word *saudades* is charged with an abundance of sentiment and though a literal translation of it is difficult to arrive at its meaning approaches sweet memories of bygone days **The Upper Reaches of the Amazon** Joseph Froude Woodroffe,1914 **In the Amazon Jungle** Algot Lange,2015-07-13 Excerpt from *In the Amazon Jungle Adventures in Remote Parts of the Upper Amazon River Including a Sojourn Among Cannibal Indians* When Mr Algot Lange told me he was going to the headwaters of the Amazon I was particularly interested because once years ago I had turned my own mind in that direction with considerable longing I knew he would encounter many set backs but I never would have predicted the adventures he actually passed through alive He started in fine spirits buoyant strong vigorous When I saw him again in New York a year or so later on his return he was an emaciated fever wreck placing one foot before the other only with much exertion and indeed barely able to hold himself erect A few weeks in the hospital followed by a daily diet of quinine improved his condition but after months he had scarcely arrived at his previous excellent physical state About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst
