

SPACE TRAP

Monica Hughes

There was blackness with no space and time, no breath and heartbeat... her throat had shrunk into a hard knot the way it does during a nightmare.

But it wasn't a dream. When she comes to her senses, Valerie is a prisoner, crouched on the floor of a cage and surrounded by people poking at her through the bars — strange people with snails' eyes, waving about on stalks.

And she knows she has been a victim of the Space Trap. Spirited millions of parsecs away from her home galaxy to an outlaw planet, Valerie must escape or spend the rest of her life in the primate Zoo — or worse, become the subject of terrible experiments in the humanoid Laboratory.

But first, she must discover the secret of the Space Trap...
