Preston, Don K Preston D DIV, 2016-10-06 Is the Battle of Armageddon just around the corner So called Bible experts have been saying this for years But what does the Bible truly say Did you know that there is positive definitive proof that the Battle of Armageddon took place in the first century In this power packed challenging book prolific author Don K Preston brings his logical analytical style to bear and gives the reader stunning yet convincing proof that Armageddon is a Blast From the Past This is another must have book from Don K Preston **The Facts on Jehovah's Witnesses** John Ankerberg, John Weldon, Dillon Burroughs, 2008-08-01 John Ankerberg John Weldon and Dillon Burroughs team up to revise and update The Facts on Jehovah s Witnesses part of the popular Facts On Series more than 1 9 million copies of books from this series sold Known for their extensive research and Bible knowledge these authors offer readers the essential facts they need to evaluate and discuss today s issues regarding the Jehovah s Witnesses a religious organization and the Watchtower Society The concise easy to follow information helps readers answer such questions as What is the Watchtower Society and what power does it hold Is the Watchtower Society s translation of the Bible accurate Is the Society s teaching on salvation biblical Whether the reader is merely curious or searching for specific information The Facts on Jehovah s Witnesses will give them what they are looking for easy to understand factual and relevant information about this group *Blast from the Past* Don K. Preston, 2005

The Truth about Armageddon and the Middle East Thomas Ice, Tim Demy, 1996-12 Based on the Book of Revelation The Truth About Armageddon and the Middle East provides an easy to understand overview of the ultimate battle between good and evil Armageddon Thomas Ice and Timothy Demy take you on a prophetic tour [Armageddon's Glorious End](#) David R. Manzano, 2017-12-12 This latest contribution to the understanding of the Bible s final book will be a welcomed addition to anyone s personal library The author is quick to admit that Revelation has many strange images and perplexing elements However he is just as quick to stress that these images and elements are not the focus The Apostle John in writing this apocalyptic volume centers the attention on Jesus Christ the only hope for those who have accepted Him as Lord and Savior as well as those who still need to Many people know Revelation for its striking confusing symbolism Many of these people would experience less confusion if they realized that most of these symbols are borrowed by the beloved disciple from other parts of the Bible Manzano is faithful and responsible in allowing the Bible to interpret itself and establishing the Old Testament especially the book of Daniel as the foundation for decoding Revelation s mysteries As Bible prophecy continues to unfold and this world continues to unravel like a cheap sweater the frustration and turmoil that ensues will dissipate by the encouraging tone of this book Readers are subsequently prompted to dive into Revelation and study afresh to reconnect with the Lamb King around whom its messages revolve *The Apocalypse Revealed, Wherein are Disclosed the Arcana There Foretold, which Have Heretofore Remained Concealed* Emanuel Swedenborg, 1873 **Theological Works: The**

Apocalypse revealed Emanuel Swedenborg,1907 *The Apocalypse Revealed Wherein are Disclosed the Mysteries There Foretold* Emanuel Swedenborg,1909 **The Swedenborg Concordance: a Complete Work of Reference to the Theological Writings of Emanuel Swedenborg** John Faulkner Potts,1888 *A House Divided-7 Events Before Rapture & the Coming Christian Holocaust* Michael Johnson,2004-11 Just as Jesus Christ promised a book that simplifies and clarifies the End Times prophecies is finally here A House Divided chronicles in easy to understand terms the ENTIRE End Times scenario including SEVEN easy to remember End Events After years of scouring numerous passages and gathering all the prophecies scattered throughout the Old and New Testaments of The Bible the author has been able to piece together the prophecies to form a single coherent picture of the End Times During the process of gathering together the prophecies the Author also discovered a profound prophecy concerning the emergence of a book in the End Times that outlines seven events In The Revelation Chapter 10 John witnesses a powerful Angel descending from Heaven who holds open a book while he utters seven thunders Although John heard the thunders and was about to write them down he was told to conceal them The author of A House Divided feels that he has uncovered what those seven thunders are By themselves the seven End Events only scratch the surface of all the new prophetic interpretations that are presented in this book There are at least twenty COMPLETELY NEW interpretations of prophecy never before presented that are detailed in the book Many of the author s interpretations are as bold in its assertions as The Revelation is mysterious Jews also will find this work especially intriguing In rather blunt terms the author exalts Jews while diminishing the importance of many religious social and political organizations of our day including organized Christian hierarchy and the Catholic Church The book uses a minimum of scriptural quotes and explains in everyday language and terms what Christians must know to prepare themselves for a terrible Christian holocaust in the future And the book has been formatted to appeal to the less educated Christian Formerly most prophecy authors have ignored the larger portion of Christians who are not schooled in ancient text translations and scholarly jargon A House Divided dispenses with the scholarly chitchat that has inhibited understanding in past prophecy works It omits diplomacy and gets straight to the point Without a doubt A House Divided is as profound in fresh and new End Times understanding in this day as The Revelation was in the day of John Do not miss this opportunity to know understand and REMEMBER what has eluded all of us to this day the final revealing of the mystery of God and the WHOLE End Times Truth **The Apocalypse Revealed. By Emanuel Swedenborg, Etc** ,1876 *The Apocalypse Revealed* Emanuel Swedenborg,1890 *The Apocalypse Revealed, Wherein are Disclosed the Arcana There Foretold, which Have Heretofore Remained Concealed* Emanuel Swedenborg,1875 **Apocalypse Revealed** Emanuel Swedenborg,1875 **The Apocalypse Or Book of Revelations, Explained According to the Spiritual Sense, Wherein are Disclosed the Arcana Therein Foretold which Have Been Hitherto Hidden** Emanuel Swedenborg,1901 **The True Witness of Revelation the Rising of the Son** Billy Curtis, The book explains all 22 chapters of the book of revelation plus some **The Judgment**
