Twin Flame Reunion Silvia Moon,2020-01-03 This simple book is here to talk about the most rarely talked about a phase of the Twin Flame experience This is the phase when you feel healed after going through a series of energetic purging spiritual ascension and healing I call this phase the Waiting Phase Most Twin Flames ask this question I am now healed now what Since the beginning of the Twin Flame journey most Twin Flames aspire to have a harmonious relationship with their Twin Flame and once they reach the Waiting Phase their Twin Flame is nowhere to be seen yet they feel ready and healed for a reunion Some Twin Flames get disappointed because they thought from the beginning that if they found healing it would automatically bring back the Twin Flame partner It is okay to feel this way because this phase of the Twin Flame journey is never anticipated but is a very essential step to having a harmonious relationship with your Twin Flame This is also the most harmonious phase of your Twin Flame journey because you feel constant bliss with your Twin Flame you feel them in your dreams as if they are with you and the telepathic communication is very clear and effortless This was the most beautiful phase for me because I could feel as if I was going to see my Twin Flame soon and I had this affirmation that the pain was finally over because I felt free and ready to start the next chapter of my life When I reached this Waiting Phase of my Twin Flame experience I was happy to be on my own but I missed my Twin Flame every day I wanted closure with him and it took me over 6 weeks to figure out how to move from the waiting phase to achieve the reunion that I craved with my Twin Flame I have learned that the Waiting Phase is the beginning of FOREVER with your Twin Flame It determines what happens with your relationship once you reunite This phase is also important because it

allows you to contemplate your Twin Flame situation some Twin Flames realize that they don't want to be with their Twin Flame after they heal This is when they realize that their Twin Flame encounter was only a Catalyst to Spiritual Awakening and Soul Growth In this book I will be sharing with you the simple tips and methods to achieve the reunion that you desire with your Twin Flame using simple examples from my experiences I am so happy to share with you all the secrets because I finally had a breakthrough with my Twin Flame We shall be re uniting soon because for once in over two years I received an affirmation that he wants to come back to me I am very excited to see him again but I am have transformed into a new being after all these soul lessons that I have learned during the Twin Flame journey I hope that he has grown as much as I have I am not obsessed with our reunion as much as I did at the beginning of physical separation and I feel calm free ready and grounded within myself to confront him My Twin Flame and I we have never discussed the idea of being Twin Flames and I don't intend to do it except if the topic comes up once we see each other soon If you are a Twin Flame going through doubt agony and frustration thinking that your Twin Flame reunion might not happen don't give up too soon I was once where you are and I felt disappointed too A reunion with your Twin Flame is inevitable if it is meant to be **TWIN FLAME**
