**The Twin Hells** J. N. Reynolds, 2015-06-26 Excerpt from *The Twin Hells A Thrilling Narrative of Life in the Kansas and Missouri Penitentiaries* The following pages treat of hell A Kansas hell and a Missouri hell Those who desire to peruse works that tell about Heaven only are urged to drop this book and run I was an inmate of the Kansas penitentiary for sixteen months and make mention of what came under my own observation in connection with what I experienced While an inmate of this prison I occupied cells at various times with convicts who had served terms in the Missouri prison From these persons I gathered much useful material for my book After my release I visited the Missouri penitentiary and verified the statements of those criminals and gathered additional material from the prison records and the officials I have written chiefly for the youth of the country but all ages will be deeply interested in the following pages A large majority of the convicts are young men from sixteen to twenty five years of age About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

**The Twin Hells** John N. Reynolds, 2017-11-27 Excerpt from *The Twin Hells A Thrilling Narrative of Life in the Kansas and Missouri Penitentiaries* Life or they surely would have resisted tempta tion and kept out of crime The following pages will impart to the reader some idea of what he may expect to endure in case he be comes entangled in the meshes of the law and is compelled to do service for the State with out any remuneration Every penitentiary is a veritable hell Deprive a person of his liberty punish and maltreat him and you fill his life with misery akin to those who wander in the darkness of eternal night I think when the reader has perused the following pages he will agree with me that the book has the proper title That this volume may prove an eye opener to the boys who may read it and prove interesting and instructive About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish

journalists and prisoners themselves as well as depictions of prison life in popular culture Kunzel argues for the importance of the prison to the history of sexuality and for the centrality of ideas about sex and sexuality to the modern prison In the process she deepens and complicates our understanding of sexuality in America *Hearings* United States.
