A Sermon [on Jer. Vii. 3, 4].* Henry Garrett Newland,1854 **Early American Proverbs and Proverbial Phrases** Bartlett Jere Whiting,1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable

of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious Two Edged Sword Rev Dr Robert Sj Coutts,2020-01-04 This book is designed to send a wakeup call to Gods people To call the people together in an assembly and to move together as an army for the Lord and speaking out against the wrong in our land There is a sound of a trumpet blowing but unfortunately many are not hearing it God is about to reveal a Two Edged Sword on this land so that people will respond to the call The Two Edged Sword is coming to reveal the secret and hidden things of the heart and as it is stated in Hebrews 4 2 it will divide asunder the soul and spirit For the word of God is quick and powerful and sharper than any two edged sword piercing even to the dividing asunder of soul and spirit and of the joints and marrow and is a discerner of the thoughts and intents of the heart Hebrews 4 12 Further the Two Edged Sword will purge and cut away the works of the flesh and cause a separation between the righteous and the unrighteous even to the dividing of families just like it says in Matthew 10 34 Think not that I am come to send peace on the earth I came not to send peace but a sword Soon we will all be caught up to meet the Lord in the air but still too many have not heard the Gospel and are away from Christ In the book of Ezekiel there are some very sobering yet explicit directions for the messenger of The Lord Son of man I have made thee a watchman unto the house of Israel therefore hear the word at my mouth and give them warning from me When I say unto the wicked Thou shalt surely die and thou givest him not warning nor speakest to warn the wicked from his wicked way to save his life the same wicked man shall die in his iniquity but his blood will I require at thine hand Yet if thou warn the wicked and he turn not from his wickedness nor from his wicked way he shall die in his iniquity but thou hast delivered thy soul Ezekiel 3 17 19 Let those who have an ear listen and hear what the Lord is saying It is time for us as a church to wake up and get the fire of the Holy Spirit back Christ is coming for a church that is in love with Him and cannot wait until His return We do not know when He will return but we do know from the signs that it is imminent We do not know the day nor the hour so now would be the best time to wake up and get ready **Illustrated Guide to the Armouries, Tower of London** Tower of London (London, England),Harold Arthur Lee-Dillon Dillon (Viscount),1910 **Twice Sharpened** Marilyn Olson,2011-09-30 How well can we know the mind of Christ As part of his body can we understand his thoughts his desires or his motivations Jesus spoken words give us not only a clue as to his character but as to the questions we all have about life on Earth Why are we here How did we get here Why is it we cant remember anything before this span of time on Earth What will we remember when the dark glass is taken away so that we can at last see TRUTH face to face Who are the Sons of God Why does the Bible call us Sons of God Who was Jesus before he was begotten of the Father Hidden within the pages of Scripture is a fascinating story I have attempted to bring it to you through TWICE SHARPENED The Two Edged Sword This account is intended to inspire thought and research into the character of Jesus through the scriptures

Though the story is Biblically based the connecting story line is fictional For an in depth study keep a Bible nearby to check references as you enjoy the book Marilyn Olson For the word of God is quick and powerful and sharper than any two edged sword Hebrew 4 12

A Commentary on the Whole Epistle to the Hebrews William Gouge,1866 *Revelation* William C. Weinrich,Thomas C. Oden,2014-02-19 The Revelation to John with its vivid images and portraits of conflict leading up to the formation of a new heaven and a new earth was widely read even as it was variously interpreted in the early church Drawing heavily on both Eastern and Western ancient commentators much appearing in English for the first time this ACCS volume is a treasure trove of early interpretation

The Epistle of Jesus to the Church James D. Quiggle,2008-01-01 The Epistle of Jesus to the Church is a commentary on the book of Revelation that assumes Jesus was the author and John the reporter of the words and events described Here one will not find an explanation of an anti Roman message written by John in hidden codes and apocalyptic motifs to fool Roman authorities John the apostle and prophet was the faithful scribe who did not create the message but faithfully and accurately described all that he saw and heard This commentary follows the principle that the Scriptures explain themselves because the Revelation is a word from Jesus to his church a word that is grounded in the Scriptures The Epistle of Jesus to the Church has been written with teachers students and pastors in mind The interpretation of the book of Revelation is thorough difficult passages are addressed and plausible answers are provided to the questions posed by in depth study of the biblical book This is a commentary for personal study or classroom instruction one that may be confidently used to preach and teach the Revelation of Jesus to the church

The Holy Bible, in the Authorized Version ,1876 *The Confessions* Saint Augustine (of Hippo),1907 *Between Byzantine Men* Mark Masterson,2022-06-16 The presence and importance of same sex desire between men in the Byzantine Empire has been understudied While John Boswell and others tried to open a conversation about desire between Byzantine men decades ago the field reverted to emphasis on prohibition and an inability to read the evidence of same sex desire between men in the sources *Between Byzantine Men Desire Homosociality and Brotherhood in the Medieval Empire* challenges and transforms this situation by placing at centre stage Byzantine men s desiring relations with one another This book foregrounds desire between men in and around the imperial court of the 900s Analysis of Greek sources many untranslated until now and of material culture reveals a situation both more liberal than the medieval West and important for its rite of brother making adelphopoiesis which was a precursor to today s same sex marriage This book transforms our understanding of Byzantine elite men s culture and is an important addition to the history of sex and desire between men *Between Byzantine Men* will appeal to scholars and general readers who are interested in Byzantine History Society and Culture the History of Masculinity and the History of Sexuality
