The Ultimate Good Luck:

The Ultimate Good Luck Richard Ford, 1987-05-12 From the Pulitzer Prize winning author of *Independence Day* and *The Sportswriter* comes a novel of menace and eroticism set in Oaxaca Mexico His prose has a taut cinematic quality that bathes his story with the same hot mercilessly white light that scorches Mexico *The New York Times Book Review* In this novel Richard Ford updates the tradition of Conrad for the age of cocaine smuggling Harry Quinn has come to free his girlfriend's brother Sonny from jail and ideally to get him away from the suavely sadistic drug dealer who suspects Sonny of having cheated him

Novel Ideas Barbara Shoup, Margaret-Love Denman, 2013-05 *Novel Ideas* provides a substantial introduction to the elements of fiction followed by in depth interviews with successful novelists who speak with candor and insight into the complex process by which a novel is made This edition includes new and updated interviews as well as writing exercises to enhance its use in the writing classroom Dorothy Allison recalls deliciously self indulgent days of writing in her bathrobe wrapped in misery and exultation Peter Cameron explains how he made the move from short fiction to the novel with the aid of a music composer's notebook to track the movement of his characters Writers as different as Ha Jin Jill McCorkle Richard Ford and Michael Chabon describe their unique approaches to their work while consistently affirming the necessity of committing to the hard effort of it while also remaining open to surprise Aspiring novelists will find hands on strategies for beginning working through and revising a novel accomplished novelists will discover new ways to solve the problems they face in process and serious readers of contemporary fiction will enjoy a glimpse into the way novels are made Includes interviews with Dorothy Allison Larry Brown Peter Cameron Michael Chabon Michael Cunningham Robb Forman Dew Richard Ford Ha Jin Patricia Henley Charles Johnson Wally Lamb Valerie Martin Jill McCorkle Sena Jeter Naslund Lewis Nordan Sheri Reynolds S J Rozan Jane Smiley Lee Smith Theodore Weesner

Perspectives on Richard Ford Huey Guagliardo, 2010-01-06 This is the first book length examination of the fiction written by Richard Ford who gained critical acclaim for *The Sportswriter* the story of suburbanite Frank Bascombe's struggle to survive loneliness and great loss That novel published in 1986 struck a chord with readers and reviewers alike and Ford a little known writer who had for a time considered giving up the writing of fiction was suddenly hailed in *Newsweek* as one of the best writers of his generation *The Sportswriter* along with its 1995 sequel *Independence Day* which became the first novel to win both the Pulitzer Prize and the PEN Faulkner Award made Ford's Frank Bascombe as much a part of the American literary landscape as John Updike's *Rabbit Angstrom* With three other novels a well received volume of short stories and a trilogy of novellas to his credit Ford is now firmly established as a major figure among writers of the post World War II generation *Perspectives on Richard Ford* is the first collection of essays to study the body of Ford's fiction The nine essays demonstrate that Ford like few other writers of his time powerfully depicts what it feels like to live in the secular late twentieth century world a dangerous and uncertain place where human relationships are impoverished and where human existence is often characterized by emptiness solipsism

and above all by a sense of alienation The contributors tend to view Ford s narratives of alienation in a broad cultural context His works dramatize the breakdown of the institutions of marriage family and community His protagonists often typify the rootlessness and the nameless longing pervasive in a highly mobile present oriented society in which individuals having lost a sense of the past relentlessly pursue their own elusive identities in the here and now The collection which concludes with a compelling conversation between Ford and the editor will prove to be an essential companion to the work of one our most intriguing contemporary writers
