The Unfinished Man:

The Unfinished Man Nissim Ezekiel, 1965 **The unfinished man** James Guy Bramwell, 1957 [The Unfinished Man](#) Jim Wayne, 2016-05-09 On a personal psychological level unfinished business often refers to disturbing events or feelings that have not been fully examined On a corporate or organizational level unfinished business can refer to obligations and expectations left unfulfilled In Jim Wayne's novel *The Unfinished Man* the scholarly and unsociable Father Justin Zapp needs to examine the psychic wounds incurred in his youth when a priest sexually exploited him Though Father Zapp has positioned himself within the church in a situation that allows him brilliantly to pursue scholarly work his capacity for human interaction is severely limited When news comes to Father Zapp of current sexual abuse within his diocese he is challenged to become a strong shepherd protecting his innocent flock from predation Can his faith survive the finding that the Catholic Church itself the largest organization in the world has commonly covered up sexual abuse by priests instead of working to eliminate it Can one man make a difference Can one priest find the courage to return to ground zero in his own psyche acknowledge the wreckage and slowly rebuild a new self with enough courage and stamina to combat sexual abuse by priests Set in the 1950s and 60s the landscape of *The Unfinished Man* ranges from rural Indiana to the Vatican Other reform issues within the Church such as the Church's position vis a vis Jews also come to the fore Can a larger more just and humane spirituality emerge through new leadership While Jim Wayne's novel unflinchingly presents the existence of evil it succeeds equally in creating the presence of strength and goodness This gripping novel also raises questions for any reader about his or her own private or public unfinished self

Dhvani and Epiphany: Essays in Criticism (12 Essays) Prabhaker Acharya, 2018-02-01 Dhvani and Epiphany examines the work of major Indian poets like Nissim Ezekiel and Arun Kolatkar the struggle of young poets to find an audience and the art of fiction But its main focus is on the nature of creativity How does an artist communicate his meaning What makes a work genuinely creative Through a sensitive exploration of poetry ranging from the simple poems of a child Poorna Prajna to the complex Byzantium Poems of Yeats the first seven essays try to show how a poem comes to life when it speaks to us and we listen to its dhvani and respond Even in fiction it is not all realism There is irony in exploring the paradoxical nature of reality events taking on symbolic overtones and epiphany moments of illumination and insights when surprising correspondences are seen Writers cannot surprise and delight their audience if they themselves are not surprised

and delighted by such insights **The Indian Imagination** NA NA,2016-04-30 The Indian Imagination focuses on literary developments in English both in the colonial and postcolonial periods of Indian history Six divergent writers Aurobindo Ghose Sri Aurobindo Mulk Raj Anand Balachandra Rajan Nissim Ezekiel Anita Desai and Arun Joshi represent a consciousness that has emerged from the confrontation between tradition and modernity The colonial fantasy of British India was finally dissolved in the first half of this century only to be succeeded by another fantasy that of the reinstated sovereign nation state This study argues that the two phases of history like the two phases of Indian writing in English together represent the sociohistorical process of colonization and decolonization and the affirmation of identity **The Unfinished Man** William
