exploration into the moments in everyday life where men and women meet Going beyond who does the laundry Marche provocatively argues that we are no longer engaged in a war of the sexes but rather stuck together in a labyrinth of contradictions And these contradictions are keeping women from power and confounding male identity The Unmade Bed has ignited an international conversation about the complex and shifting landscape of gender relations **The Ongoing Moment** Geoff Dyer,2009-11-11 Great photographs change the way we see the world The Ongoing Moment changes the way we look at both Focusing on the ways in which canonical figures like Alfred Stieglitz Paul Strand Walker Evans Andr Kert sz Edward Weston Dorothea Lange Diane Arbus and William Eggleston have photographed the same things barber shops benches hands roads signs award winning writer Geoff Dyer seeks to identify their signature styles In doing so he constructs a narrative in which these photographers many of whom never met constantly encounter one another The result is a kaleidoscopic work of extraordinary originality and insight **Unmade Bed** Jerry Kunkel,2014-06-10 THE UNMADE BED This collection of stories random musings observations and memories speaks to the clutter and chatter of the everyday the intentional and accidental avoidances and revelations that stare back at us from a place where daydreaming doesn t make something true it makes it more real Questions are infinitely more interesting than answers and the best answer it seems nearly always precipitates another question The real question becomes is once enough Is enough ever enough Is anything ever settled Here is an assortment of flawed and frequently awkward characters attempting to make sense of where they find themselves while coming to realize that their imagination of a thing may be as real as the thing itself **The Extra Lady** Horace Wykeham Can Newte,1920 The Works of Anatole France Anatole France,1924 **A mummer's tale.
