Frederick,2015-08-06 Joseph B Frederick PhD had fond memories of the B O Railroad except for the time he caught his shoe in the tracks and almost lost his leg and probably his life When he was eight years old he found his lost twin who died in utero He thought he must take responsibility of living his life which had something to do with the lost life of his twin He invites you to come with him and share his early life and the many side roads he never would have believed possible There are many interesting stories or vignettes easy to read in just a few paragraphs

Captivity James Loney,2012-04-24 The powerful account of the remarkable peace activist kidnapped while leading a peace delegation and held for ransom by Iraqi insurgents until his paradoxical release by a crack unit of special forces commandos In November 2005 James Loney and three other men Canadian Harmeet Singh Sooden British citizen Norman Kember and American Tom Fox were taken hostage at gunpoint The men were with Christian Peacemaker Teams CPT an organization that places teams trained in non violent intervention into lethal conflict zones The then unknown Swords of Righteousness Brigade released videos of the men resulting in what is likely the most publicized kidnapping of the Iraq War Tom Fox was murdered and dumped on a Baghdad street The surviving men were held for 118 days before being rescued by Task Force Black an elite counter kidnap unit led by the British SAS Captivity is the story of what Jim described upon his return to Toronto and reunion with his partner Dan Hunt as a terrifying profound transformative and excruciatingly boring experience It presents an affecting portrait of how Jim came to be a pacifist and chronicles his work in Iraq before the kidnapping It brings the reader immediately into the terror and banality the frictions the moral dilemmas of their captivity their search to find their captors humanity and the imperative need to conceal Jim s sexual identity It examines the paradoxes we face when our most cherished principles are tested in extraordinary circumstances and explores the universal truths contained in every captivity experience At its heart the book is a hope filled plea for peace human solidarity and forgiveness From James Loney Why I Wrote This Book I often wondered during those excruciating days of handcuffs and chains fear and boredom without end would I ever get to tell anyone about the strange and bizarre things that happened during our captivity Being transported in the trunk of a car Sleeping with my left and right hands handcuffed to the person beside me Explaining to the captors how to use men s gel Picking open our handcuffs after watching a Hollywood movie It is a paradox I went to Iraq as a pacifi st on a mission of peace and was kidnapped threatened with death and held hostage with three other men until we were rescued in a military operation It is an extraordinary privilege to be able to tell the story of this paradox to explain why I remain committed to the principles of nonviolence despite the fact a member of our group was murdered and our freedom was secured by armed force The crucible of captivity was a kind of school in which I was able to
