

Tom Paine

**Harvey J. Kaye**

## **Tom Paine:**

**Tom Paine and Revolutionary America** Eric Foner, 2005 Since its publication in 1976 *Tom Paine and Revolutionary America* has been recognized as a classic study of the career of the foremost political pamphleteer of the Age of Revolution and a model of how to integrate the political intellectual and social history of the struggle for American independence Foner skillfully brings together an account of Paine's remarkable career with a careful examination of the social worlds within which he operated in Great Britain France and especially the United States He explores Paine's political and social ideas and the way he popularized them by pioneering a new form of political writing using simple direct language and addressing himself to a reading public far broader than previous writers had commanded He shows which of Paine's views remained essentially fixed throughout his career while directing attention to the ways his stance on social questions evolved under the pressure of events This enduring work makes clear the tremendous impact Paine's writing exerted on the American Revolution and suggests why he failed to have a similar impact during his career in revolutionary France And it offers new insights into the nature and internal tensions of the republican outlook that helped to shape the Revolution In a new preface Foner discusses the origins of this book and the influences of the 1960s and 1970s on its writing He also looks at how Paine has been adopted by scholars and politicians of many stripes and has even been called the patron saint of the Internet

**Tom Paine** John Keane, 2003 More than any other public figure of the eighteenth century Tom Paine strikes our times like a trumpet blast from a distant world So begins John Keane's magnificent and award-winning the Frances Tavern Book Award biography of one of democracy's greatest champions Among friends and enemies alike Paine earned a reputation as a notorious pamphleteer one of the greatest political figures of his day and the author of three best-selling books *Common Sense* *The Rights of Man* and *The Age of Reason* Setting his compelling narrative against a vivid social backdrop of prerevolutionary America and the French Revolution John Keane melds together the public and the shadowy private sides of Paine's life in a remarkable piece of scholarship This is the definitive biography of a man whose life and work profoundly shaped the modern age Provide s an engaging perspective on England America and France in the tumultuous years of the late eighteenth century Pauline Maier *The New York Times Book Review* It is hard to imagine this magnificent biography ever being superseded It is a stylish splendidly erudite work Terry Eagleton *The Guardian*

**Citizen Tom Paine** Howard Fast, 1994-05 Presents a fictionalized account of Paine's contribution to keeping alive the passion for freedom during the grueling years of the American Revolution

**Rebel! A Biography of Tom Paine** Noel Bertram Gerson, Samuel Edwards, 1974 Delves into the complexity of Paine's character as well as his efforts on behalf of popular causes in America France and England

[The Selected Work of Tom Paine & Citizen Tom Paine](#) Thomas Paine, 1945 Here are the most important works of Tom Paine edited and interpreted by Howard Fast The running commentaries by Howard Fast throw new light on the life and work of the man who first gave voice to the ideals of the Republic To complete the picture this volume contains Howard Fast's

magnificent historical novel Citizen Tom Paine Dust jacket flap **Tom Paine** William E. Woodward,2020-10-09 The purpose of this biography is to present a true picture of Tom Paine and his place in American history This means that both his good and bad qualities should appear and as I had no prejudice in the matter and no predetermined opinion of Paine and his accomplishments it would seem on first consideration that the preparation of the book would not be a very difficult task But it has turned out to be extremely complicated for the reason that the data concerning Paine have been overlaid by such an accumulation of lies false impressions twisted remarks and untrue and slanderous episodes that the most intensive research has been required That he inspired the Declaration of Independence and is the godfather of the free American nation is either unknown or disregarded That he was the most potent advocate during the whole of the eighteenth century for human freedom equality of men free education universal suffrage and rights of women is also a neglected fact Thomas Paine and the Promise of America Harvey J. Kaye,2024-03-26 This acclaimed biography provides the most comprehensive assessment yet of the Founding Father s controversial reputation Joseph J Ellis The New York Times Book Review After leaving London for Philadelphia in 1774 Thomas Paine became one of the most influential political writers of the modern world and the greatest radical of a radical age Through writings like Common Sense he not only turned America s colonial rebellion into a revolutionary war but as Harvey J Kaye demonstrates articulated an American identity charged with exceptional purpose and promise Thomas Paine and the Promise of America fiercely traces the revolutionary spirit that runs through American history and demonstrates how that spirit is rooted in Paine s legacy With passion and wit Kaye shows how Paine turned Americans into radicals and how we have remained radicals ever since *The Living Thoughts of Tom Paine* Thomas Paine,John Dos Passos,1940 **Thomas Paine** Bruce Kuklick,2018-05-08 Thomas Paine is a unique political thinker who has continued to attract scholarly and popular attention from the time he wrote about both the American and French Revolutions at the end of the eighteenth century This collection brings together the most recent essays debating the meaning and relevance of Paine s works It includes an historiographical survey of scholarship about Paine and articles by the leading authorities in the field The essays survey his life analyze his ideas place them in their social and intellectual context and appraise their significance today **Tom Paine, Friend of Mankind** Hesketh Pearson,1937 **The Life and Writings of Thomas Paine** Thomas Paine,1908 *Thomas Paine Reader* Thomas Paine,2004-05-27 This major collection demonstrates the extent to which Thomas Paine 1737 1809 was an inspiration to the Americans in their struggle for independence a passionate supporter of the French Revolution and perhaps the outstanding English radical writer of his age It contains all of Paine s major works including The Rights of Man his groundbreaking defence of the revolutionary cause in France Common Sense which won thousands over to the side of the American rebels and the first part of The Age of Reason Part One a ferocious attack on Christianity The shorter pieces on capital punishment social reform and the abolition of slavery also confirm the great versatility and power of this master of democratic prose **Common Sense - Thomas Paine** Thomas Paine,2025-07-14

Common Sense is a seminal political pamphlet that profoundly influenced the American Revolution by articulating the case for independence from British rule. Thomas Paine challenges the legitimacy of monarchy and hereditary succession, advocating instead for the establishment of a democratic republic grounded in natural rights and popular sovereignty. Written in clear, persuasive prose, the work addresses a broad audience, making complex political ideas accessible and urgent in the context of 18th-century colonial America. Since its publication in 1776, Common Sense has been celebrated for its powerful rhetoric and its role in galvanizing colonial public opinion toward revolution. Its exploration of themes such as liberty, justice, and the responsibilities of citizenship secured its place as a foundational text in American political thought. Paine's arguments resonate beyond his era, inspiring movements for self-determination and democratic governance worldwide. The enduring relevance of Common Sense lies in its challenge to established authority and its call for active participation in shaping political destiny. By confronting the tensions between tyranny and freedom, Paine's work encourages readers to critically assess the structures of power and to envision societies based on equality and shared rights. Through its direct appeal to common people, Common Sense remains a powerful reminder of the impact that ideas can have in driving historical change.

**Thomas Paine** Joyce Chumbley, Leo Zonneveld, 2009

**The Political Writings of Thomas Paine** Thomas

Paine, 2012-03-26 These are the times that try men's souls. Thomas Paine. The Crisis. Throughout most of Paine's life, his writings inspired passion but also brought him great criticism. He communicated the ideas of the Revolution to common farmers as easily as to intellectuals, creating prose that stirred the hearts of the fledgling United States. Paine had a grand vision for society; he was staunchly anti-slavery and he was one of the first to advocate a world peace organization and social security for the poor and elderly. But his radical views on religion would destroy his success, and at the end of his life, only a handful of people would attend his funeral. The revolutionary writer Thomas Paine played a very important role in shaping the modern world. His works have influenced countless people across the globe, and politicians all across the political spectrum cite him to lend credence to their policies. Despite all of this, Paine has often been misunderstood, ignored, or dismissed. Misunderstanding generally comes from only looking at one piece of his writings while overlooking the rest. This is sometimes the case with politicians who wish to see something of themselves in Paine and as such engage in selective reading. Those who ignore his writings often do so purposely. There have been those who see them as too radical and dangerous and therefore to be avoided. Those who dismiss him tend to be scholars of a more elitist variety. They view him as being improperly educated. All of this is unfortunate because there is much to be learned from Paine.

**The Life and Works of Thomas Paine** Thomas Paine, 1925. Signed in ms in vol 1. Van der Weyde v 1. Life of Thomas Paine by W M Van der Weyde v 2. Early essays. Common sense. The American crisis I IV v 3. The American crisis V XIII. Patriotic papers v 4. Political pamphlets v 5. Open letters. Dissertations v 6. Rights of man v 7. Rights of man concluded. *Sense* Ian Jackson,2017-07-05 Thomas Paine's 1776 *Common Sense* has secured an unshakeable place as one of history's most explosive and revolutionary books. A slim pamphlet published at the beginning of the American Revolution, it was so widely read that it remains the all-time best-selling book in US history. An impassioned argument for American independence and for democratic government, *Common Sense* can claim to have helped change the face of the world more than almost any other book. But Paine's pamphlet is also a masterclass in critical thinking, demonstrating how the reasoned construction of arguments can be reinforced by literary skill and passion. Paine is perhaps more famous as a stylist than as a constructor of arguments, but *Common Sense* marries the best elements of good reasoning to its polemic. Moving systematically from the origins of government through a criticism of monarchy and on to the possibilities for future democratic government in an independent America, Paine neatly lays out a series of persuasive reasons to fight for independence and a new form of government. Indeed, as the pamphlet's title suggested, to do so was nothing more than common sense. *Thomas Paine* Craig Nelson,2007-09-04 A fresh new look at the Enlightenment intellectual who became the most controversial of America's founding fathers. Despite his being a founder of both the United States and the French Republic, the creator of the phrase "United States of America" and the author of *Common Sense*, Thomas Paine is the least well-known of America's founding fathers. This edifying biography by Craig Nelson traces Paine's path from his years as a London mechanic through his emergence as the voice of revolutionary fervor on two continents to his final days in the throes of dementia. By acquainting us as never before with this complex and combative genius, Nelson rescues a giant from obscurity and gives us a fascinating work of history. **The Legacy of Thomas Paine in the Transatlantic World** Sam Edwards, Marcus Morris,2017-11-22 As early as 1892 Moncure Conway, the author of the first scholarly Paine biography, noted that whilst Paine's life up to 1809 was certainly fascinating, his subsequent life—that is, his afterlife—was even more thrilling. Vilified by Theodore Roosevelt as a filthy little atheist, yet employed by Ronald Reagan in his campaign to make America great again, Paine's words and ideas have been both celebrated and dismissed by generations of politicians and presidents. An Englishman by birth, an American by adoption, and a Frenchman by decree, Paine has been invoked and appropriated by groups and individuals across the transatlantic political spectrum. This was particularly apparent following the bicentennial of Paine's death in 2009, an event that prompted new scholarship examining troublesome Tom's ideas and ideals whilst in Thetford, Lewes, and New Rochelle, his three transatlantic homes, he was feted and commemorated. Yet despite all this interest, the precise forms and function of Paine's post-mortem presence have still not received the attention they deserve. With essays authored by experts on both sides of the Atlantic and beyond, this book examines the transatlantic afterlife of Thomas Paine, offering new insights into the ways in which he has been used and abused, remembered and represented in the two hundred years since his death.

**Selected Writings of Thomas Paine** Thomas Paine,2014-11-25 A central figure in Western history and American political thought, Thomas Paine continues to provoke debate among politicians, activists, and scholars. People of all ideological

stripes are inspired by his trenchant defense of the rights and good sense of ordinary individuals and his penetrating critiques of arbitrary power This volume contains Paine s explosive Common Sense in its entirety including the oft ignored Appendix as well as selections from his other major writings The American Crisis Rights of Man and The Age of Reason It also contains several of Paine s shorter essays All the documents have been transcribed directly from the originals making this edition the most reliable one available Essays by Ian Shapiro Jonathan Clark Jane Calvert and Eileen Hunt Botting bring Paine into sharp focus illuminating his place in the tumultuous decades surrounding the American and French Revolutions and his larger historical legacy

Getting the books **Tom Paine** now is not type of inspiring means. You could not solitary going considering book addition or library or borrowing from your links to admission them. This is an definitely easy means to specifically get lead by on-line. This online message Tom Paine can be one of the options to accompany you when having extra time.

It will not waste your time. assume me, the e-book will categorically appearance you further situation to read. Just invest tiny epoch to entrance this on-line broadcast **Tom Paine** as well as review them wherever you are now.
