

The tube that they need, so that a J-tube can go through it, has to come from Shady Side Hospital, so instead of having a procedure done today & tomorrow, they're just going to have me do the procedure tomorrow in the afternoon & I can eat tonight! They apologize and said that they didn't know until I was already down here that the size tube that they needed was not here & had to come from hospital. Tomorrow morning/early afternoon I will have a new tube! They also think I have a hole in my stomach from the size feeding tube balloon from it coming through the stomach wall and being pressed against the abdominal wall. Everything sounds like it will be fixed up tomorrow hopefully! 🙏🙏
