## **Travesía Liberal:**

**Travesía liberal** Enrique Krauze, 2014-01-15 Suerte de cartografía de las ideas este libro arma y despliega un mapa de acabada claridad En él mediante una trama que se recompone al paso de la lectura se cifran y ubican dilemas esenciales en la transición del siglo XX al XXI el pasaje de ciertos equívocos a otros distintos y la comprensión de la Historia a la luz de la notable clarividencia del pensador que en otros se lee de los pensadores que en otro se escriben En diversas entrevistas que devienen ensayos rigurosos por medio del testimonio y la historiografía a través de la literatura y las cuestiones biográficas la erudición de este autor se despoja de todo lustre artificioso y nos propone una sólida incuestionable casi visión de Occidente Pocas veces el empequeñimiento del mundo contemporáneo parece tan plausible y promisorio como en la gran proximidad y empatía de sus pensadores más lúcidos y avanzados Algunos aquí nos aguardan de Isaiah Berlin a Kolakowski de Hugo Thomas y John H Elliot a Borges y Octavio Paz junto con otros Con ellos Enrique Krauze prueba la hondura y solvencia del rigor intelectual que lo ubica entre iguales todos atentos a un siglo que previene inquietante **Mexican Public Intellectuals** D.

Castillo, S. Day, 2014-04-16 In Mexico the participation of intellectuals in public life has always been extraordinary and for many the price can be high Highlighting prominent figures that have made incursions into issues such as elections human rights foreign policy and the drug war this volume paints a picture of the ever changing context of Mexican intellectualism

*Octavio Paz* Nicholas Caistor, 2008-02-15 Both an artist and activist Octavio Paz won the Nobel Prize for literature in 1990 This recognition was the culmination of decades of work as Paz strove to marry traditional Mexican poetry with distinctly surrealist and Spanish influences Along with his work Paz's contribution to the intellectual debates of his time such as those over the role of Mexican art in national identity cannot be overemphasized In *Octavio Paz* Nicholas Caistor takes a fresh look at Paz's exquisite poetry and fascinating life Born during the Mexican Revolution Paz spent his youth fighting to free Mexico from the ideologies of both the left and right He traveled to the United States then to Spain where he fought with the Republicans against Franco's Nationalists He eventually served as a diplomat in India before returning to his homeland in 1968 where he again became a vocal opponent of the government As Caistor demonstrates Paz's personal journey in those years was as exciting as his public life He details here the multiple marriages and passionate friendships that inevitably made their way into Paz's poetry Both concise and insightful Octavio Paz reveals the life that informs a poetry that is deeply expressive and distinctly political **La espada y la pluma** José Antonio Aguilar Rivera, 2025-03-17 Antología donde se reúnen ensayos de los principales teóricos del liberalismo en México Permite a los lectores un acercamiento no mediado a algunos de los textos clave de una tradición que durante muchos años fue apropiada por el régimen posrevolucionario mexicano Con esta obra se intenta deconstruir el mito del liberalismo mexicano para generar las preguntas que promuevan la recuperación de una ideología til a la resolución de los problemas de la actualidad Octavio Paz Oliver

Kozlarek, 2015-07-15 Octavio Paz is one of the most recognized Latin American writers His essays offer a sophisticated

critique of global modernity Although his work has advanced many of the arguments that orient our contemporary debates in the social sciences and in philosophy it has hardly ever been seriously taken into consideration in these disciplines The volume suggests that this may have been a mistake Its authors indicate ways in which Paz essays can be read as substantial contributions to the contemporary debates in various fields The aim of this book is to present to a non Spanish speaking audience some of the discussions about Paz offerings to the ongoing debates It also wants to make a clear statement a critique of our contemporary modernity must go hand in hand with a non exclusive intercultural understanding of Humanism

los frentes del diplomático al empresarial. Al mismo tiempo la región ha vivido un profundo cambio económico y político marcado por el crecimiento económico y el giro a la izquierda. Como resultado de estas transformaciones ha surgido una nueva imagen de España en la región que sin duda es la mejor que ha tenido en quinientos años. Sin embargo, aunque es más positiva en algunos aspectos, no carece de sombras: algunas proyectadas por el pasado colonial y otras resultado de las nuevas realidades como la inversión española o las políticas migratorias de la Unión Europea. Así es el escenario en el que además se van a desarrollar las conmemoraciones de los bicentenarios de la Independencia de los países iberoamericanos. En este contexto interesaba conocer de primera mano cómo es la visión que de España tienen los ciudadanos latinoamericanos más allá de los discursos y estrategias de sus líderes políticos. La imagen de España en la opinión pública latinoamericana constituye el núcleo del libro en el que además se abordan otras cuestiones derivadas como el discurso postcolonial, el poder blando de España y Estados Unidos en la región y la estrategia de diplomacia pública que deberíamos seguir nosotros ante los desafíos que se le presentan.
