Philosopher Josiah Akhtab,2026-01-05 In this complete work we explore the mind of a Red Pill MGTOW content creator that existed on Youtube for four years He provided a balanced and fair approach to counteract extremes in the space known as the Manosphere Jo The Philosopher espoused that the various pills reflected states of awareness pertaining to the world around you and that each state of awareness could either elevate or destroy a man This work is meant to help those that can use the information presented to better their lives and prioritize themselves above everyone else rather than for the sake of others Not that helping and giving to others isn't all well and good but not at the expense of your own peace and equanimity Ultimately Jo the Philosopher's harsh but true statements regarding women society and life are meant for men to treat themselves and the women they proclaim to disdain due to Red Pill Rage like human beings so accountability can be taken on both sides of the gender war so that men and women can come together and live the lives they were meant to live rather than the lives society told them to
