**Prayer** Ade Esan,2011-09-15 Some people do not believe in prayer rather they believe that everything happens by chance To such people whatever will be will be with or without prayer Others believe that God knows everything and can do anything and that He does whatever He chooses to do So He does not need anybody prompting Him or reminding Him of His duties by praying I am sure these group of people have never experienced the power of prayer God enjoins us to pray without ceasing He wants us to ask seek and knock in order to receive find and have doors open before us Prayer brings about supernatural manifestation of the power of God and anyone who has experienced this manifestation will testify that prayer is indispensable This book is filled with instances of such manifestation

St. Andrew's Cross ,1910 **Prayer** Ella Oyortey,2019-04 Prayer can move mountains and bring divine help into our lives when we need it most Are you aware that not praying can keep God s perfect will from happening in your life And when you do not pray you shut off any possibilities that God can use to create something new in your life So perhaps you are going through a tough time today or you have received a bad report or maybe you have been experiencing very difficult challenges Be encouraged Live the best life God has for you commence with prayer Prayer yields powerful answers when we put our faith in God We must never fail to believe that something supernatural happens when we pray with the Word of God in the name of Jesus The PRAY format praise repent ask yield is very effective through Jesus Christ I pray that you experience a deeper understanding of prayer as you read this book Remember little prayers bring little results more prayers bring greater results Prayer is your weapon so use it
