God and Guns in America Michael W. Austin, 2020-05-12 What if Christians did more than offer thoughts and prayers in response to gun violence Ethicist Michael Austin argues from a biblical but nonpacifist perspective that we can impose firearms restrictions to make our society safer and less fearful while still respecting the rights of gun owners

God and Guns in America is a thoughtful measured and articulate treatment of a polarizing topic that is too often treated with more heat than light

Hope: What It Can Do Pastor Omojevwe Brown Emmanuel, 2022-04-11 Hope what It can do means you must not give up and those in Christ should not be afraid of the temporary pains they faced through loyalty to God s word I believe strongly that everyone on this planet earth can change from worst attitude to the best and be useful in the kingdom of God Our hope in Our Lord Jesus s coming back heals all our pain and focus our minds on the glories and Joys ahead We are living in a world full of frustrations distrust dishonest faithless sorrowful unpredictable and a world where Jesus Christ s name is gradually remove from public places like schools and becoming irrelevant in the mind of our rulers both political and religious A world where religious leader supported things that Christ hates and preach against while on earth A world where the church powers over evil and wickedness is shut down by ruler s laws and bars and sexy clubs etc are encouraged to increase Unless you have a personal hope in God you cannot survive in the midst of these wickedness We are living in a generation of scams a generation of angers a generation vampires and murderer A generation that prefer evil to peaceful co existence and harmony and a generation where the Saints in Christ are without a genuine shepherd The book point us to God s hope alone to produced results and to know the facts and the truth about Jesus Christ for us to be established and bear fruits We should hope in God s words his promises and power to provide remedies to our sufferings pains and human sorrows This book point to us the need to serve God believe in Him and to put all our hope on His holy begotten Son Jesus Christ

Hope Steven Dohoney, 2009-05 Hope is something that everyone must have in their life for without it all would be lost As a Christian have you ever felt hopeless and nothing you did seemed to matter Did you ever find yourself wanting to quit God and go back to the world Sad to say too many of us have been tempted with these thoughts and still worse many have returned to the world because they have lost their hope Hopelessness is real People are waking up to the fact that dead religious ceremonies and clich s have not helped them with life s real problems They are now desperate for God s real answers and God always has a ram in the bush HOPE is here This book attempts to address some of those real issues which we all have faced in our Christian walk and provide some tools which we can use to restore our faith Dr Steven Dohoney is the Founder and President
