Kruhlak, Richard Schultz, John C. Terry, 1979 *Federalism in Canada* Thomas O. Hueglin, 2021 *Federalism in Canada* tells the turbulent story of shared sovereignty and divided governance from Confederation to the present time It does so with three main objectives in mind The first objective is to convince readers that federalism is the primary animating force in Canadian politics and that it is therefore worth engaging with its complex nature and dynamic The second objective is to bring into closer focus the contested concepts about the meaning and operation of federalism that all along have been at the root of the divide between English Canada and Quebec in particular The third objective is to give recognition to the trajectory of Canada's Indigenous peoples in the context of Canadian federalism from years of abusive neglect to belated efforts of inclusion The book focuses on the constitution with its ambiguous allocation of divided powers the pivotal role of the courts in balancing these powers and the political leaders whose interactions oscillate between intergovernmental conflict and cooperation This focus on executive leadership and judicial supervision is framed by considerations of Canada's regionalized political economy and cultural diversity giving students an interesting and nuanced view of federalism in Canada **Subversive Itinerary** Shannon Bell, Peter Keith Kulchyski, 2013-01-01 *Subversive Itinerary* investigates the theoretical evolution of the influential political theorist Gad Horowitz as well as the historical impact of his ideas on Canadian life and letters Bringing together dynamic new works by both established and emerging scholars along with three new articles by Horowitz himself this volume examines the concepts he developed and extends his approach beyond the current historical moment The book includes a history of Horowitz's engagements as a public intellectual through appraisals of his early mid and late career contributions
