Terminal Generation:

The terminal generation Hal Lindsey, Carole C. Carlson, 1977 *The Terminal Generation* Hal Lindsey, 1977-08

The Terminal Generation Hal Lindsey with C.C. Carlson, **The Terminal Generation** Hal Lindsey, C. C. Carlson, 1981-02-01 **Terminal Generation** MR Hal Lindsey, 1981-09-01 **The Terminal Generation** Gary King, 2016-04-02 This book is a fresh look at the subject of eschatology which is the study of end time prophetic events. It is not locked into the traditional thinking and teachings espoused in the last two hundred years. The views expressed in this book are the result of a comparison of what Jesus taught on this subject through the Old Testament prophets, what Jesus taught on this important subject while He was on the earth, and what Jesus taught from heaven to His apostles after His ascension. The basic premise embraced while comparing these is that what Jesus taught in the Old Testament or what He taught while on the earth or what He taught after His ascension would never contradict one another. What Jesus taught on earth was spoken in plain earthly language, whereas much of the other teachings were generally spoken in parabolic language in heavenly figurative language. In interpreting parabolic language, there can be numerous possibilities as to God's intended meaning. However, many of these possibilities can be eliminated by comparing them with what Jesus taught plainly during His earthly ministry. Any interpretation that contradicts what Jesus taught in the Olivet Discourse cannot be the intended meaning of that which He taught in any of the prophetic books of the Bible, such as Daniel, Isaiah, Joel, or Revelation. This book is not intended to rehash the popular traditional teachings of our day on eschatology, but rather to open up the minds of the readers to explore and consider concepts and views that lie outside of the box of the commonly accepted teachings being taught to this present generation. God's Word declares that some of these prophetic things will be sealed or hidden from man until the last days of this age. However, God promises to reveal that which has been hidden to the last day terminal generation. *The Terminal Generation* R.C. Courson Jr., Th.D., 2014-04 Prior to reading and undertaking the study of this book, I want to encourage you to understand we are the Terminal Generation according to the empirical evidence, the scientific evidence, and the biblical evidence that will be presented in this book. Simply, our generation, the Baby Boomers, the Hippies, the Yuppies, the Generation X, and the Millennials, will be alive when humanity's greatest cataclysmic event sounds in our lifetime. As you read this book, realize the world and your life as you know it today is about to change forever. Jesus Christ is coming soon, suddenly, silently, to Rapture His Church; the Anti-Christ will ascend to dominate world power, and the Wrath of God will be unleashed upon sinful man during the Great Tribulation Period. This book is an instruction manual covering the things to come in our lifetime and also a survival manual of protection and preparation to be prepared and not be left behind.

Israel, Rapture, Tribulation Michael Earl Riemer, 2021-05-23 Jesus is coming soon for all signs point to His arrival again. The Last Days are upon us again. The Great Tribulation is about to start again. We will see the Lord coming in clouds of glory for we are the last generation again. Even before William Miller pronounced these kinds of tidings for 1843 and when it

didn't occur he assured his followers it would happen on October 22 1844 this refrain was common from Christians down throughout the ages However since the time of Miller and especially since 1948 when the nation of Israel was given birth the chorus of Christian voices proclaiming End Times and Last Days is a constant message The problem all those who have preached this since 70AD have been wrong always 100% of the time In the Revelation of Jesus given to Saint John he assures the seven Churches the time was near it was in fact at hand The letter closes with the assurance of that fact the Lord was coming soon for Jesus states Surely I come quickly Revelation 22 20 So that leaves us with two perplexing and bewildering conclusions Jesus was wrong about His soon coming and those who preach this have also been preaching a tall tale a cock and bull story However the early Christians did not believe what is being taught across today's pulpits concerning this teaching They knew those events would happen in their lifetime not 2 000 years in the future they took Jesus at His word and it saved their lives In this book you will find the doctrine believed by early Christians and the reason the modern Last Days doctrine has always been wrong and how it was fulfilled You will also find the message taught by Jesus and presented throughout the Holy Scriptures hope and victory for Christ's Church

The Puppet Master of Islam Richard Bennett, 2022-09-01 To understand the dangers imposed upon the world by Allah Muhammad and the angel of light you must look at Islam through the eyes of Christianity Hal Lindsey one of the true futurist preachers of our time wrote in The Late Great Planet Earth that there are only two sources of the supernatural The God of the Bible followed by Christians and the god of this world followed by Muslims who is described as an angel of light 2 Corinthians 11 14 This is the angel that visited Muhammad and introduced Allah into the world In the beginning Muhammad thought he was possessed He spent years convincing himself that he was not Many however believe that what Muhammad suspected about demonic possession may be true It took a great deal of persuasion by Muhammad's first wife Khadija to convince him that his encounter may have been divine as opposed to demonic in origin She was instrumental in the birth of the prophet becoming a reality Discover the evil of Islam and how we know that the apparition that spoke to Muhammad was likely an evil spirit in The Puppet Master of Islam

the issue of terrorism are there signs of the foundation of a one world government that can be seen today what might a one world religion look like given our current global faith composition what is the identity of the Restrainer and can we see traces of it in our world today how do pre Tribulation and post Tribulation rapture arguments compare and what will life be like through the Millennial Reign and beyond Delve into a relevant exploration of how end time prophecy affects us in our world today as you decide for yourself if we are the Terminal Generation Simplifying the complex and often confusing world of prophetic events each week you and your group will enjoy this topical approach to prophetic events as you open with a prayer and ice breaker followed by a short Greek or Hebrew word study relating to the topic of the week A lesson then explains the topic in simplified terms using relevant information intertwined with the facts of scripture viewed against the backdrop of our world Following the fact filled lessons are discussion questions that encourage group discussion on how the topic relates to our world as we know it After discussing the weekly concept suggestions are provided for additional ways to connect the topic to your week Lastly the study ends with a closing prayer which gives your group the opportunity to pray for each other Piece by piece like a puzzle coming together you and your group will make important connections and develop a greater understanding of end time prophetic events and what they mean to us now So what do you think Are we the Terminal Generation It s time to make the relevant connections between scripture and our world Find out for yourself what scripture has to say about the matter today This book also pairs well with The No Homework Bible Study Group Hug Holidays by Christine Tate When a holiday approaches take a one week break to do the single stand alone fellowship building lesson for the holiday then return to your regular study program
