Stop That Ball:

To Catch a Mirage John Knights,2016-12-26 In 1996 I was visited by a man I had come to call the Chameleon and three of his dark suited companions I recognized Danny Moran the Chameleons personal bodyguard however the other faces were new to me After introductions to Murray and the Dutchman the Chameleon began his explanation for his visit Did I know of a drug that would stun a man without any long term effects such as killing him Could I keep safe a sufferer of emphysema on a long flight in a military jet Having failed to complete a medical degree some twenty five years earlier I could not even spell emphysema However I was intrigued by the reference to it and flying and guards who needed to be sedated Over the next hour or so the details were revealed to me of a plot being financed by the Australian government and a television network to kidnap the financial refugee Christopher Skase from his Mediterranean hideaway and bring him home to answer criminal charges I have related the story of the kidnap attempt as I saw it unfold and as the Chameleons team revealed the details to me If I have recorded some aspects wrongly then I am amiss Where I was not able to ascertain the facts or to check their accuracy I admit I used my imagination to fill in If I have misrepresented anyone in so doing then I am truly contrite But it has I hope you agree made for a pretty good yarn *Stop that Ball!* Marshall McClintock,1959 Illus in color A boy s madcap adventures as he tries to retrieve his bouncing ball are told in lively rhyming prose Humorous repetitious situations will delight children Recommended School Library Journal *Bettinghouse v.
