*Zephaniah's Oracles against the Nations* Ryou,2021-08-30 Zephaniah s Oracles against the Nations deals with exegetical methods as well as their application to the text The first part of the book examines the Hebrew text from the viewpoint of synchrony employing insights from modern linguistic and literary theory Such important concepts as text grammar textual hierarchy communicational and actantial analysis on the one hand and prosodic hierarchy and Hebrew versification on the other emerge from this discussion The second part of the book discusses diachronical matters such as the redactional process its theological and pastoral significance and the hermeneutical implications of such diachronical study Of special interest are the additional sections on the issues of the so called woe cry and oracles against the nations in the Old Testament This timely study is particularly useful for those interested in the linguistic analysis and literary interpretation of the Hebrew Bible The Evening Wolves Gregory Ashe,2024-02-05 Every victory comes at a cost The trail has gone cold For months now Emery Hazard and John Henry Somerset have been trying to find something anything that might help them

uncover the truth about the criminal organization operating out of the Cottonmouth Club But every lead has turned out to be a dead end and every step forward has cost them two steps back Until one night John Henry is arrested for a terrible crime As their friends gather again in Wahredua Emery and John Henry must rush to prove John Henry s innocence The falsified evidence used to implicate him provides them with fresh clues but as the charges against John Henry ripple out into the community they find themselves without their usual resources and facing new and unexpected opposition Putting an end to this evil they discover might be possible All it will cost them is everything
