The Halfhyde Line:

The Halfhyde Line Philip McCutchan, 1984 **To Be Continued** Hope Apple, Merle L. Jacob, 2000-10-10 Keeping track of prolific authors who write fiction series was quite challenging for even the most ardent fan until *To Be Continued* debuted in 1995. Now readers will be happy that the soon to be released second edition has added 1 600 new books and 400 new series. *To Be Continued* Second Edition maintains the first volume's successful formula that featured concise A to Z entries packed with useful information including titles, publishers, publication dates, genre categories, annotations, and subject terms. Among the genre categories that can be found in *To Be Continued* are romance, science fiction, crime, novel, horror, adventure, fantasy, humor, western, war, Christian fiction, and others. *Halfhyde's Island* Philip McCutchan, 2004-04-01 Royal Navy Lieutenant St Vincent Halfhyde is assigned as second in command of the heavy cruiser *Viceroy* and ordered to a volcanic island that has recently surfaced in the north Pacific. The Admiralty hopes to claim the island for the Crown and establish an outpost there, but the hostile Russians have other ideas and the wily Japanese are prepared to carry out their own agenda. **Convoy**

North Philip McCutchan, 1996 The grand admiral of the high seas adventure novel is Philip McCutchan, author of nearly 100 novels. Now leading the first trade paperback edition of any of McCutchan's work, *Convoy North* portrays the popular Commodore John Mason Kemp battling World War II's German air and sea attacks in the waters of Norway's North Cape.

Sequels Janet G. Husband, Jonathan F. Husband, 2009 A guide to series fiction lists popular series, identifies novels by character, and offers guidance on the order in which to read unnumbered series. **Ramage** Dudley Pope, 2000-04-01 In a daring foray under the very nose of the French Mediterranean fleet, Lieutenant Lord Nicholas Ramage is to sail his tiny cutter close in to the Italian shore and rescue a party of stranded aristocrats from Napoleon's fast advancing army. *Now Read on* Mandy Hicken, Raymond John Prytherch, 1994 Keen on adventure stories but have run out of favourite authors? Want to try gothic romances but are not sure where to start? Know that your favourite author writes spy stories but also writes science fiction under another as yet unknown name? *Now Read On* will solve all these problems. It is a guide to popular modern fiction divided up into writing genres such as historical novels, macabre stories, and science fiction. Each author entry within these novel types gives a brief life history, outlines the writer's style, and lists all the relevant published titles. In addition, a *Now Read* list indicates authors who write in a similar vein. Much had changed since the first edition. New writers have established themselves as genre writers; some have switched from one area of writing to another or have even added a new interest to an old one. Around 450 titles have been added to authors listed in the first edition, particularly in *Family Stories* and *Police Work*. 60 new names have been selected, and one new genre, *Women Detectives*, has been created. All this is backed up by an author index and a list of characters that reappear in related stories and series. The winners of the relevant book prizes over the last 25 years are also included. This book will prove invaluable to readers, booksellers, and library staff for anyone who wants to expand their fiction reading interests or advise others on the next good read. **Sequels** Janet Husband, Jonathan

F. Husband, 1990 A reference book for librarians and users of public libraries which provides easy access to information on good recreational reading This revised edition features expanded coverage of mystery and science fiction New indexes allow access by subject genre and main characters **Twentieth-century Romance and Historical Writers** Lesley Henderson, D. L. Kirkpatrick, 1990 An encyclopedic biographical survey of the genre The entry for each writer consists of a biography a complete list of separately published books and a signal critical essay In addition living entrants were invited to comment on their work Series characters and locales have been indicated Also included are notations of available bibliographies manuscript collections and critical studies Acidic paper Annotation copyrighted by Book News Inc Portland OR

To be Continued Merle Jacob, Hope Apple, 1995 This guide identifies both in print and out of print works of fiction featuring continuing themes plots or characters in which there is a sense of development and passage of time Entries are arranged alphabetically by author and are accompanied by bibliographic information **AB Bookman's Weekly** , 1996
