suppose any man with such a broken heart as I would do any less for the one he loves but I ask your forgiveness in advance for the deeds I am now blood bound to fulfill It is for the restoration of your life that I have pledged myself to their dark demands and in doing so I have betrayed the world for you For love Forever yours even into darkness Hans The Puppet Master

author Pierre S Freeman was one of these victims Now he is speaking out to help prevent others from falling into the same trap In Tales of the Puppet Master Emperor Imperator Speaks Freeman examines five of H Spencer Lewis s well known publications The truths exposed include how Lewis was able to gain the public s trust and boost his intellectual and scientific platform by posing as a public watchdog for subliminal messages all the while seeking to administer his own mind control program used questionable cosmology and science to shape himself into the image of God explained his doctrine of reincarnation through a lame fictional story of early man had connections to Nazi Germany Mussolini and other anti Semitic movements This compelling exploration examines the dangers of brainwashing and how one individual has been able to exude power over others through his writings and methodologies Never before has anyone challenged AMORC and its founder s works so directly
