## **Violent End:**

**Silence, Joy** Thomas Merton, 2018-12-16 An inspiring gift edition of poetry and prose from the world's favorite monk poet In this day of mindless distraction we're desperate for reasons to put down our phones and reconnect with our spiritual selves In time for the 50th anniversary of Thomas Merton's death in 1968 Silence Joy is an invitation to slow down take a breath make a space for silence and open up to joy Poet monk spiritual advisor and social critic Thomas Merton is a unique and uniquely beloved figure of the twentieth century and this little rosary brings together his best loved poems and prose Drawn from classics like New Seeds Of Contemplation and The Way Of Chuang Tzu as well as less famous books the writings in Silence Joy offer the reader deep calming stillness flights of ecstatic praise steadying words of wisdom and openhearted laughter Manna for Merton lovers and a warm embrace for novices this slim collection is a delightful gift Community Development in an Uncertain World Jim Ife, 2016-09-20 Community Development in an Uncertain World is an essential resource for students and professionals in the human services Spectacle Rachel Vincent, 2017-05-30 There is no crueler cage than the confines of the human mind in this riveting sequel to Menagerie from the New York Times bestselling author When their coup of Metzger's Menagerie is discovered Delilah Marlow and her fellow cryptids find their newly won freedom brutally stripped away as they are sold into The Savage Spectacle a private collection of exotic wildlife Specializing in ruthless cryptid cage matches safari style creature hunts and living party favors the Spectacle's owner Willem Vandekamp caters to the forbidden fetishes of the wealthy and powerful At the Spectacle any wish can be granted for the right price But Vandekamp's closely guarded client list isn't the only secret being kept at the Spectacle Beneath the beauty and brutality of life in the collection lie much darker truths and no one is more determined than Delilah to strip the masks from the human monsters and drag all dark things into the light Oh what a disturbingly dark and haunting world Rachel Vincent has crafted Spectacle is definitely not for the fainthearted However it is the characters who are the heart and soul of Spectacle The world they live in is harsh and brutal but it is the strength love and loyalty we see emerging out of the darkness that makes Spectacle so significant I can't wait to see what unfolds in the third book of the Menagerie series Fresh Fiction A bravura example of fantasy series building Publishers Weekly **Usury: its injustice; its past and present state; and its prospects**, 1867 **Power**, 1907 **The System of Antichrist** Charles Upton, 2005 The System of Antichrist examines the present religious and cultural scene from the standpoint of traditional metaphysics and critiques the New Age spiritualities within their postmodern context Its many references to Rene Guenon and Frithjof Schuon also help introduce these important but little known traditionalist thinkers The book presents lore relating to the latter days of the present cycle from the vantage point of comparative religion drawing upon relevant doctrines from Buddhism Hinduism Judaism Christianity Islam Zoroastrianism and the Native American traditions It also speculates upon the social psychic and spiritual nature of that being known to Christianity Judaism and Islam as the Antichrist presenting him as both an individual and a

system and warning those willing to be warned against the spiritual seduction and terror he represents and against the regime which will be and is the social expression of that seduction and that terror Finally in tracing the roots of Antichrist in the fallen nature of man the author sketches the particular quality of spirituality proper to apocalyptic times the dangers it faces the unique opportunities open to it And along the way he describes his own course from the spiritual revolution of the 1960s through the world of New Age spiritualities to the threshold of traditional esoterism and metaphysics As he says speaking of the angst that characterizes the modern world The specific medicine for the shock of despair is the deeper shock of meaning Nothing but the weight of eternity breaking through the thin brittle shell of the postmodern sky can set us on our feet
