

A group of people, including men and women of various ages, are holding hands in a circle on a paved walkway. They are dressed in casual to semi-formal attire. The background shows a wooden fence and lush green foliage. The scene is captured from a low angle, focusing on the lower half of the individuals and their hands joined together.

Proceedings of the 2025 4th International Conference on Social Sciences and Humanities and Arts (SSHA 2025) Sun Jing,Sun Hefei,Liu Shuli,Ren Xianpin,Cuneyt Birkok,2025-07-22 This is an open access book With the progress of social civilization social science and its research are becoming more and more important Theoretically and practically the study of social phenomena and social problems and the development of prosperous social sciences are the eternal themes of human beings At present social science research and its results can hardly meet the needs of social development especially the unscientific evaluation of social science results which has aroused great concern from all walks of life and has produced dirt and questions on social science thus affecting the proper development of social science Max Weber once said that the most important function of social science in modern times is to keep people clear headed and to resist the delusions of prophetic legislators Humanities and arts are the process of perceiving realizing thinking manipulating and expressing objective or subjective objects through capturing and excavating feeling and analyzing integrating and applying or displaying the stage results in the form obtained through feeling seeing hearing smelling touching The social sciences and humanities and arts contain content that will directly affect our lives and the way society functions And by reacting to today s increasingly intricate problems and situations through systematic and professional discussions they will further contribute to the improvement of institutions and the development of society By thinking about issues and looking at problems and the world from different perspectives by putting the two together it may be possible to have more comprehensive appropriate and better responses for example the development of laws requires a deeper understanding of the environment in which they are implemented international trade requires a certain understanding of the customs of different countries and the development of tax and economic policies requires a certain understanding of the population consumer demand etc

International Conflict Analysis in South Asia Safeer Tariq Bhatti,2015-12-03 International Conflict Analysis in South Asia A Study of Sectarian Violence in Pakistan analyzes the ideological relationship of the Muslim identity to its perceived practice of Islam among the Shia and Deobandi sects A Muslim identity defined as the parameters of who is and who isn t a Muslim has led to the political conundrum of Pakistan to an anticipated single interpretation of Islam causing severe sectarian violence across the country Sectarianism has been rooted in Pakistan s affairs since 1953 but most recently the country has been victimized by political and sectarian Islamic movements The collective mobilization and propaganda campaigns of these movements have led exclusion of certain religious minorities and their practices The study takes root in Punjab Pakistan among twenty seven interviews where the Deobandi sect and the Shia sect face severe fatalities and undefined conflict *International Norms and Mobilization for Democracy* Manuel Orozco,2018-02-06 This title was first published in 2002 This volume demonstrates that international action for democracy does not solely rest on American democracy promotion strategies but that it actually depends on a variety of global actors and interactions It is suitable for

policy experts non governmental organizations international aid agencies and courses on international relations theory comparative politics and Latin American politics The book introduces a theoretical framework about the effect of international norms on democracy promotion connects the role of international institutions and norms with advocacy movements in shaping the mobilization to promote democracy analyses the relationship between the international dimension of democracy promotion and democratization explains the effect of international democracy promotion in the political transition of Nicaragua from 1979 to 2001 and brings into analysis the various modalities of democracy promotion and their effects

Agents, Structures and International Relations Colin Wight, 2006-10-12 The agent structure problem is a much discussed issue in the field of international relations In his comprehensive 2006 analysis of this problem Colin Wight deconstructs the accounts of structure and agency embedded within differing IR theories and on the basis of this analysis explores the implications of ontology the metaphysical study of existence and reality Wight argues that there are many gaps in IR theory that can only be understood by focusing on the ontological differences that construct the theoretical landscape By integrating the treatment of the agent structure problem in IR theory with that in social theory Wight makes a positive contribution to the problem as an issue of concern to the wider human sciences At the most fundamental level politics is concerned with competing visions of how the world is and how it should be thus politics is ontology

Social Facts Collective Int: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. Social Facts Collective Int : Colleen Hoovers "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Social Facts Collective Int : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
