Social Policy A Comparative Analysis

Joan Higgins

Social Policy A Comparative Analysis:

Social policy: a comparative analysis Michael James Hill,1996 *Patterns of Social Policy* Catherine Jones,1985

Comparative Social Policy Patricia Kennett,2001 What are the social policy processes and outcomes across different societies How are these shaped by social and economic conditions What are the limitations and potential of cross national research Comparative Social Policy explores the new context of social policy and considers how cross national theory and research can respond to the challenges facing welfare These challenges include changing demographic trends and economic conditions which have been accompanied by the emergence of new needs and risks within and across societies This book extends and deepens cross national research by exploring the theoretical and conceptual frameworks through which social policy and welfare systems have been understood It critically examines different policy processes and welfare outcomes as well as the ethnocentrism and cultural imperialism which has permeated cross national epistemology and methodology The author concludes by reflecting on how cross national research can illuminate the complex and diverse processes leading to discrimination and inequality across borders This leads to a consideration of how it can contribute to the implementation of welfare provision appropriate to the social and economic conditions of contemporary societies Comparative Social Policy is an essential text for undergraduate and masters level students of social policy and an invaluable reference for researchers embarking on cross national social research

Handbook on the Political Economy of Social Policy Bent Greve,Amílcar Moreira,Minna van Gerven,2024-05-02 Research in social policy has been greatly influenced by the emergence of modern political economy in the late 1970s The Handbook on the Political Economy of Social Policy offers a systematic yet comprehensive framework for understanding how concepts theoretical standpoints and methodological approaches stemming from political economy have been applied to the study of social policies and models of welfare provision The authors also signpost current developments and discuss their likely impact on future research

The Future of Social Policy Bent Greve,2025-04-01 This book analyses trends and data relating to issues affecting social policy in mature welfare states in Europe and uses these elements to further our understanding of and ability to try to say something about the future of social policy its direction and content Looking at the financial crisis of 2008 the refugee crisis in Europe COVID 19 the climate crisis ageing populations and the rise of artificial intelligence it shows how these may also have an impact on future social policy including what kind of social policy might be needed because of changes in living conditions across the continent Written by one of Europe s more prominent social policy experts this book the first of its kind will be required reading for all scholars and students of social policy social welfare public policy sociology and social work

An Introduction to Social Policy Peter Dwyer,Sandra Shaw,2013-03-15 An Introduction to Social Policy explores essential welfare topics themes and issues for students studying social policy or related disciplines such as sociology social work or nursing and social care Part One examines key concepts including welfare social justice diversity and health and well being Part Two explores policy

issues in relation to key stages of the lifecourse Part Three takes a comparative perspective discussing the international issues and supranational bodies that impact on British and European social policy today The concise chapters define the key terms and outline the central debates giving students a fundamental foundation for their degree Chapter overviews and summaries guide readers through the book and questions for reflection conclude each chapter to test readers knowledge This book is essential reading for all students of social policy and the social sciences as well as those taking joint honours programmes in social work sociology criminology politics and social care Peter Dwyer is Professor of Social Policy at the University of Salford Sandra Shaw is Senior Lecturer in Social Policy at the University of Salford

States of Welfare Joan Higgins,1981 Exploring the World of Social Policy Hill, Michael,Irving, Zoë,2020-04-22 This bold new textbook represents a significant step forward in social policy teaching by combining comparative and global perspectives Introducing readers to a wide spread of international challenges and issues the book shows how insights into policy can be generated using a comparative and multidisciplinary approach Global in its canvas and analytical in its method the book explores the economic social and political contexts of social policy examines in detail its institutions and fields of practice illustrates the field s main ideas themes and practices drawing on a rich international literature and using pertinent and thought provoking examples Authored by two highly respected and experienced academics this book demonstrates the rewards of studying social policy from an international perspective by avoiding the constraints of a single nation focus Clear authoritative and wide ranging it will be essential reading for students of social sciences taking courses covering social policy social welfare and comparative policy analysis *States of Welfare* Joan Higgins,1981-01-01

The Meaning Of Social Policy Bernice Q. Madison,2019-07-16 The purpose of this book is to survey the literature on social welfare policies and planning of different nations in order to explain some of the major problems that are encountered in comparative research and to highlight what has been learned so far

The Study of Social Policy Barbara Rodgers,2025-07-15 Originally published in 1979 this book enabled students and practising professionals who wished to deepen their understanding of their subject by using a comparative approach The book begins with a stringent treatment of methodological problems moves on to suggest how they can be tackled and sets up a conceptual and analytical framework for the four case studies and the comparative analysis arising out of them These case studies from Britain France Israel and Australia are deliberately focused on the personal social services and social work although these are necessarily set within the political economic and social context and related to other areas of social provision in each country *Social Problems and Social Policy* James Ford,1923 *States welfare* Joan Higgins,1981

CSA Political Science & Government ,2001 **International Labour Documentation** International Labour Office. Central Library and Documentation Bureau,1995

The Social Policy of Bismarck Annie Ashley,1912 **Policy Studies Review** ,1993 Some vols include special issues **The Social Welfare Forum** National Conference on Social Welfare,1926 *Proceedings of the National Conference of Social Work at the ... Annual Session Held*

in ... National Conference of Social Work (U.S.). Annual Session, 1926

Modern Hospital, 1922
