

The book cover features a photograph of a person with long dark hair, wearing a blue jacket and light blue pants, sitting on a dark floor with their back to the camera. They are positioned in front of a large, colorful mural. The mural depicts a man in a green military-style uniform with a beret, looking down at a woman in a yellow top. The background of the mural is a mix of warm colors like orange and yellow. To the right of the person, there is a framed picture on the wall, possibly a map or a historical document. The overall scene suggests a social or historical context.

Lyon,Sandra Colavecchia,2024 Thoroughly revised to address a variety of contemporary issues Social Problems A Canadian Perspective uses diverse voices to take a concise intersectional approach that encourages students to be active engaged citizens in the pursuit of understanding and solving Canada s and the world s social problems The book discusses and applies a range of theoretical perspectives including structural functionalism conflict theory symbolic interactionism feminism and social constructionism showing students the many lenses through which they can examine and interpret issues Written by Canadian scholars this text is an essential resource for studying social problems in this country *book 4. Economic progress. book 5. The economic functions of government.* 1908 Joseph Shield Nicholson,1908 **Principles of Political Economy** Joseph Shield Nicholson,1908 Making Sense of the Social World Daniel F. Chambliss,Russell K. Schutt,2010 Making Sense of the Social World is an engaging and innovative introduction to social research for students who need to understand methodologies and results but who may never conduct the research themselves It provides a balanced treatment of qualitative and quantitative methods integrating substantive examples and research techniques and is written in a less formal style than many comparable texts with examples drawn from everyday experience a text that students actually like to read The text covers all the essential elements of social research methods including validity causation experimental and quasi experimental design and techniques of analysis topics cited as most challenging for students A student study site with journal articles and online interactive exercises and chapter examples with emphasis on everyday experiences and current newsworthy issues assist student s understanding This Third Edition now contains A new chapter with revised material on evaluation research A new chapter on research ethics More contemporary web based research instruction Updated End of chapter exercises including new ethics exercises Boxed features When Things Go Wrong in Social Research *Covert Racism* ,2011-06-09 Covert racism subtle in application often appears hidden by norms of association affiliation group membership and or identity As such covert racism is often excused or confused with mechanisms of exclusion and inclusion ritual and ceremony acceptance and rejection Covert racism operates as a boundary keeping mechanism whose primary purpose is to maintain social distance between racial majorities and racial minorities Such boundary mechanisms work best when they are assumed natural

legitimate and normal These boundary mechanisms are typically taught subconsciously or even unconsciously within social institutions and groups This volume deals with the theories institutions and experiences associated with covert racism

Principles of Political Economy: book 4. Economic progress. book 5. The economic functions of government.
