## They Were Hanged:

*Before They Are Hanged* Joe Abercrombie, 2009-06-18 As brilliant as its predecessor SF REVU Bitter and merciless war is coming to the frozen north It s bloody and dangerous and the Union army split by politics and hamstrung by incompetence is utterly unprepared for the slaughter that s coming Lacking experience training and in some cases even weapons the army is scarcely equipped to repel Bethod s scouts let alone the cream of his forces In the heat ravaged south the Gurkish are massing to assault the city of Dagoska defended by Inquisitor Glokta The city is braced for the inevitable defeat and massacre to come preparations are made to make the Gurkish pay for every inch of land but a plot is festering to hand the city to its beseigers without a fight and the previous Inquisitor of Dagoska vanished without trace Threatened from within and without the city Glokta needs answers and he needs them soon And to the east a small band of malefactors travel to the edge of the world to reclaim a device from history a Seed hidden for generations with tremendous destructive potential A device which could put a end to war to the army of Eaters in the South to the invasion of Shanka from the North but only if it can be found and only if its power can be controlled
