

## CHAPTER 11

# How to Preserve Fruits

This chapter shows general guidelines on how to can fruit, and includes several other fruit preserves, fruit pickles, and jam fillings. Following these you'll find how to prepare pickles in five sections. Each fruit will have listed the safe methods to preserve it because of safety and quality.

The second step by step instructions on specific preservation techniques, and how to use with other chapters. As an example, how to can apples is under the canning fruit section where freezing apple instructions are in the freezing chapter. All water bath canning is used with a water canner (follow specific canner instructions for more information on the art of processing).

If preserving fruit, it's helpful to know how many pounds are needed for the number of jars you wish to put up when canning. This varies by recipe size, but I have included amounts where applicable.

While bottles and picks aren't used as much when freezing or pressure canning, but an all right note of interest is listed in the following chart.

## Things Worth Preserving:

**Things Worth Preserving** Dean Von Memmott, 2000-11 Family liberty love and country are things worth preserving They are the themes of this epic tale of the 1956 Hungarian Revolution one of the most dramatic episodes of the Cold War By 1956 the people of Hungary are fed up with living under Communist rule Their anger erupts in a storm of revolution felt across the world Among the millions swept up in the storm are Pal Varga a soap factory worker who warned his family in vain about it Rudolf Varga and Julia Kun young lovers whose dreams of marriage are threatened by the revolution Boris and Theresa Varga a Communist married couple more loyal to their country than to their political party Kathryn Nerdin an American teenager seeking a new love in face of the death of her boyfriend From the embattled streets of Budapest Hungary to the peaceful neighborhoods of Provo Utah Things Worth Saving presents a tale in the tradition of Dr Zhivago and A Farewell to Arms

*Something Worth Saving* Sandi Ward, 2018-12-18 Sandi Ward's shrewdly observed funny and wonderfully touching novel tells of a fractured family a teenage boy and a remarkable cat whose loyalty knows no bounds A boy and his cat It's an unconventional friendship perhaps but for Charlie and Lily it works beautifully It was Charlie who chose Lily from among all the cats in the shelter He didn't frown the way other humans did when he saw her injured back leg the legacy of a cruel previous owner Instead Charlie insisted on rescuing her Now Lily wants to do the same for Charlie She's the only one who's seen the bruises on Charlie's body If she knew who was hurting him she'd scratch their eyes out But she can't fix this by herself Lily needs to get the rest of the family to focus on Charlie not easy when they're wrapped up in their own problems Charlie's mother kicked his father out weeks ago and has a new boyfriend who seems charming but is still a stranger Oldest son Kevin misses his father desperately Victoria Charlie's sister also has someone new in her life and Lily is decidedly suspicious Even Charlie's father who Lily loves dearly is behaving strangely Lily knows what it's like to feel helpless But she also knows that you don't always have to be the biggest or the strongest to fight fiercely for the ones you love Praise for Sandi Ward's *The Astonishing Thing* A beautiful and touching look into the intricacies of marriage and family life all seen through the loving and unique perspective of the family pet *Modern Cat* *The Astonishing Thing* feels like a bit of a miracle and we all could use a miracle Holly Chamberlin author of *The Summer Nanny*
