Thinking Through Kierkegaard

Susan Leigh Anderson

Thinking Through Kierkegaard:

Thinking through Kierkegaard Peter J. Mehl, 2010-10-01 Thinking through Kierkegaard is a critical evaluation of Søren Kierkegaard's vision of the normatively human of who we are and might aspire to become and of what Mehl calls our existential identity Through a pragmatist examination of three of Kierkegaard's key pseudonymous voices Judge William Climacus and Anti Climacus Peter J Mehl argues that Kierkegaard's path is not the only end of our search but instead leads us to affirm a plurality of paths toward a fulfilling existential identity Contrary to Kierkegaard's ideal of moral personhood and orthodox Christian identity Mehl aims to acknowledge the possibility of pluralism in existential identities By demanding sensitivity to the deep ways social and cultural context influences human perception interpretation and self representation Mehl argues that Kierkegaard is not simply discovering but also participating in a cultural construction of the human being Drawing on accounts of what it is to be a person by prominent philosophers outside of Kierkegaard scholarship including Charles Taylor Owen Flanagan Alasdair MacIntyre and Thomas Nagel Mehl also works to bridge the analytic and continental traditions and reestablishes Kierkegaard as a rich resource for situating moral and spiritual identity This reexamination of Kierkegaard is recommended for anyone interested in what it means to be a person For what May I Hope? Gene Fendt, 1990 For What May I Hope is a dramatic exhibition of the place of hope in Philosophy It presents hope's centrality in Kant's philosophy and dramatizes its final breakdown It then shows how hope plays in various characters of Kierkegaard's authorship The text dramatizes as well the hopes of writing especially philosophical and scientific writing and plays on the hopes of readers **The Diary** Søren Kierkegaard, 1960 Søren Kierkegaard who was born in Denmark and died there at the age of forty two is regarded by many as the father of existentialist thinking During his lifetime the Hegelian theologian he reacted against the Hegelian theologians in Denmark denounced organized religion and held that the act of choice by an individual was all important The Diary covers the important elements in Kierkegaard's life including his childhood his relations with his father the influence of other writers on him his broken engagement which had a far reaching effect on the rest of his life and his celebrated quarrel with the Church Kierkegaard's writings are important because he is almost the first European writer to take a modern analytical psychological approach to religion Proust Joyce and Aldous Huxley were only a few of the modern writers influenced by the Dane and Jean Paul Sartre's philosophy of existentialism is based on his thinking

Thinking with Kierkegaard Arne Grøn, 2022-12-31 Arne Grøn's reading of Søren Kierkegaard's authorship revolves around existential challenges of human identity The 35 essays that constitute this book are written over three decades and are characterized by combining careful attention to the augmentative detail of Kierkegaard's text with a constant focus on issues in contemporary philosophy Contrary to many approaches to Kierkegaard's authorship Grøn does not read Kierkegaard in opposition to Hegel The work of the Danish thinker is read as a critical development of Hegelian phenomenology with particular attention to existential aspects of human experience Anxiety and despair are the primary existential phenomena

that Kierkegaard examines throughout his authorship and Gr n uses these negative phenomena to argue for the basically ethical aim of Kierkegaard s work In Gr n s reading Kierkegaard conceives human selfhood not merely as relational but also a process of becoming the self that one is through the otherness of self experience that is the body the world other people and God This book should be of interest to philosophers theologians literary studies scholars and anyone with an interest not only in Kierkegaard but also in human identity

An Introduction to Kierkegaard Peter Vardy,2008-12-01 An Introduction to Kierkegaard is an accessible introduction to one of the most influential philosophers of the nineteenth century Peter Vardy is an internationally known scholar with several bestselling titles S ren Kierkegaard died in Copenhagen Denmark at the age of forty two in 1855 His writings had little influence in his lifetime and after his death even with the translation of some of his works into German he was barely known Yet today he is internationally accepted as one of the world s greatest thinkers and is often considered the father of existentialism The purposes of this book are very similar to Kierkegaard s own purposes namely to help you think through the meaning and purpose of your life and what Christianity means today to reintroduce Christianity into a world that has largely forgotten what the word means to show the limitation of reason and modern philosophy Here Peter Vardy makes Kierkegaard s often complex and difficult thinking accessible to a wide audience He sketches a few of the central themes of Kierkegaard s thought and gives the reader a feeling for the way he approaches problems and some sense of the breadth of his work This revised and expanded edition is an ideal introduction to Kierkegaard for both students and the general reader

Kierkegaard Sylvia Walsh,2008-11-14 S ren Kierkegaard 1813 1855 was first and foremost a Christian thinker who is perhaps best known for his devastating attack upon Christendom or the established order of his time Not since Luther has there been a Protestant thinker who has so uncompromisingly sought to define and present Christianity in its utmost integrity Characterizing Christianity as an existence communication rather than a doctrine Kierkegaard sought to portray what it means to be a Christian in the strictest sense in the interest of reintroducing authentic Christianity as an existential possibility for every individual in the modern age Sylvia Walsh explores Kierkegaard s understanding of Christianity and the existential mode of thinking theologically appropriate to it in the context of the intellectual cultural and socio political milieu of his time She contrasts his approach with objective ways of doing theology which in his view falsify Christianity and the believer s relation to it The study begins with a biographical overview of the personal and intellectual influences theological upbringing important events and phases of authorship in Kierkegaard s life Walsh highlights some of his most important contributions to Christian thought concerning the Christian understanding of God our human condition in anxiety sin and despair and the task of becoming a self before God Christ as the absolute paradox redeemer and prototype the Christian life of faith hope and love and the relation of religion culture and society

The Living Thoughts of Kierkegaard Soren Kierkegaard,1999-09-30 Translated from the Danish by Walter Lowrie David Swenson and Alexander Dru The Danish philosopher Kierkegaard is one of the master thinkers of the modern age a defining

influence on existentialism and on twentieth century theology and this brilliantly tailored selection from his vast and varied writings made by the great English poet W H Auden is a perfect introduction to his work Auden s inspired and incisive response to a thinker who had done much to shape his own beliefs is a fundamental reading of an author whose spirit remains as radical as ever more than 150 years after he wrote **Kierkegaard** M. Jamie Ferreira,2009-02-23 The first comprehensive introduction to cover the entire span of Kierkegaard s authorship Explores how the two strands of his writing religious discourses and pseudonymous literary creations influenced each other Accompanies the reader chronologically through all the philosopher s major works and integrates his writing into his biography Employs a unique how to approach to help the reader discover individual texts on their own and to help them closely examine Kierkegaard s language Presents the literary strategies employed in Kierkegaard s work to give the reader insight into subtext **The Soul of Kierkegaard** Søren Kierkegaard, Alexander Dru,2003-03-14 Kierkegaard s journals reflect his further thoughts on the ideas developed in his philosophical and theological works on his tumultuous career as an author and on his own relationship with his work and readers The primary source for any understanding of either the man or his thought The Times London Literary Supplement Thinking with Kierkegaard and Wittgenstein Richard Griffith Rollefson,2014-10-20 Paul L Holmer influenced the development of the so called Yale School and several generations of students by seeing common logical and ethico religious themes in the works of Soren Kierkegaard and Ludwig Wittgenstein Holmer is perhaps the preeminent interpreter of Kierkegaard with his analysis of the logic of Kierkegaard s truth as subjectivity and the morphology of the life of Christian belief In his polemical and constructive work The Grammar of Faith Holmer explored the significance of the later philosophy of Ludwig Wittgenstein for theology and proposed a critical alternative to contemporary academic theology In his C S Lewis The Shape of His Life and Thought Making Christian Sense and various essays now compiled in The Paul L Holmer papers Holmer s reassessment of the traditional concepts of virtues and vices his recognition of the importance of Christian praxis in providing the context for theological and ethical reflection together with his emphasis on the role of emotions and passions in the life of faith portray how the Christian faith forms character and helps one make sense with one s life **Writings of Kierkegaard** Søren Kierkegaard,2016-07-04 This philosophical book focuses on Christian ethics the institution of the church and the difference between man and God to name a few Kierkegaard is the founder of Existentialism which focuses on the person being the source of thought and not an outside force Kierkegaard critiques those that would think that things are preordained and forced believing that we are free under the grace and love of God Kierkegaard and the Crisis of Faith George Pattison,2013-11-07 The standing of the Danish philosopher and religious thinker S ren Kierkegaard has gone up in recent years Yet because he regarded communication as being as much about self concealment as about self revelation he can still seem a forbidding and difficult figure The deliberate ambiguity of Kierkegaard in which he set out to repel as much as to attract his readers is here explored by George Pattison who gives full attention to the scandalous element of the

philosopher's work and does not shy away from his ambivalent attitudes towards sexuality the body marriage and the family This book is unlike other nontechnical introductions to Kierkegaard in that it does not seek to promote one part of Kierkegaard's writings over others but offers rather a perspective on his life and output as a whole That Kierkegaard grappled in his own age with many of the problems which beset our own and frequently offered fascinating responses to those problems is a major incentive to examine his thought today By placing Kierkegaard in the context of a crisis of faith and making valuable connections between events in the philosopher's life and the development of his thinking the author of this timely readable and attractively written study has produced a book which should be of interest to a wide nonspecialist readership

Thinking Through Death Scott Kramer, Kuang-ming Wu, 1988

Kierkegaard and Socrates Jacob Howland, 2006-04-24 This volume is a study of the relationship between philosophy and faith in Søren Kierkegaard's Philosophical Fragments It is also the first book to examine the role of Socrates in this body of writings illuminating the significance of Socrates for Kierkegaard's thought Jacob Howland argues that in the Fragments philosophy and faith are closely related passions A careful examination of the role of Socrates demonstrates that Socratic philosophical eros opens up a path to faith At the same time the work of faith which holds the self together with that which transcends it is essentially erotic in the Socratic sense of the term Chapters on Kierkegaard's Johannes Climacus and on Plato's Apology shed light on the Socratic character of the pseudonymous author of the Fragments and the role of the god in Socrates' pursuit of wisdom Howland also analyzes the Concluding Unscientific Postscript and Kierkegaard's reflections on Socrates and Christ

The Great Philosophers: The Disturbers: Descartes, Pascal, Lessing, Kierkegaard, Nietzsche. Philosophers in Other Realms: Einstein, Weber, Marx Karl Jaspers, 1962

On Kierkegaard Susan Leigh Anderson, 2000 This brief text assists students in understanding Kierkegaard's philosophy and thinking so that they can more fully engage in useful intelligent class dialogue and improve their understanding of course content Part of the Wadsworth Philosophers Series which will eventually consist of approximately 100 titles each focusing on a single thinker from ancient times to the present

ON KIERKEGAARD is written by a philosopher deeply versed in the philosophy of this key thinker Like other books in the series this concise book offers sufficient insight into the thinking of a notable philosopher better enabling students to engage in the reading and to discuss the material in class and on paper

Søren Kierkegaard in His Life and Literature Adolf Hult, 1906

Søren Kierkegaard's Journals and Papers, Volume 1 Søren Kierkegaard, Gregor Malantschuk, 1967-03-22 I can be understood only after my death Kierkegaard noted prophetically the fulfillment of this expectation for the English speaking world a century and a quarter later is signified by the English translation in authoritative editions of all his works by the indefatigable Howard and Edna Hong The importance of the *Papirer* was emphasized by Kierkegaard himself The essentially religious interpretation he gave to his mission in life and his personal relationships is now documented clearly and exhaustively Obviously these editions are essential for academic and large general collections Library Journal From this point

on anyone interested in tracking down a Kierkegaardian theme will have to consult the Hong presentation as well as the books of Kierkegaard Annual Review of Philosophy The translations are entirely excellent One envies the Hong's their capacity in language the breadth of their reading in Kierkegaard and his sources and the dedication they brought to this Herculean task The assistance of Gregor Malantschuk has contributed materially to the notes which serve as trenchant summaries of Kierkegaard's thought on the topics This is indeed a monumental work Review of Metaphysics an astonishing labor of editing and translating International Studies in Philosophy Howard and Edna Hong have brought to the task solid scholarship linguistic competence an imaginative and useful arrangement of the material and a scrupulous self-effacement before the work No one could ask for more Citation of the Judges at the National Book Awards We must be grateful to the Hong's for their enormous labor Kierkegaard's Journals and Papers are worth having for angry days or inward days especially when they have been translated in as lively and sensitive a manner as are the texts in this first volume Nation The incidental writings of Søren Kierkegaard published in the twenty-volume Danish edition of the *Papirer* provide direct access to the thought of the many-faceted nineteenth-century philosopher who exerted so profound an influence on Protestant theology and modern existentialism This important material which Danish scholars regard as the key to the scriptures of Kierkegaard's other work spans his entire productive life the last entry of the *Papirer* being dated only a few days before his death These writings have been previously inaccessible in English except for a few fragmentary selections the most significant writings are now being made available in this definitive seven-volume edition under the editorship of two expert scholars and translators Kierkegaard's scattered writings fall into three main subject groupings journal entries of varied content notes and early versions of his published material and personal reactions to his reading and study In length and degree of polish they range from brief and cryptic notes to extensive lecture material finished travel sketches and extended philosophical speculation The translators provide annotations copious notes and a collation of entries with the Danish *Papirer* The editors group the selections in Volumes I through IV by theme with all entries on a given subject under the same heading Within subject headings entries are arranged chronologically making it feasible to trace the evolution of Kierkegaard's thought on a specific topic Volumes V and VI are devoted to autobiographical material Volume VII contains an extensive index with topical cross-references

International Kierkegaard Commentary: Prefaces and writing sampler. Three discourses on imagined occasions Robert L. Perkins, 2006 *Kierkegaard's Existential Approach* Arne Grøn, René Rosfort, K. Brian Söderquist, 2017-04-24

Recently there has been a growing interest not only in existentialism but also in existential questions as well as key figures in existential thinking Yet despite this renewed interest a systematic reconsideration of Kierkegaard's existential approach is missing This anthology is the first in a series of three that will attempt to fill this lacuna The 13 chapters of the first anthology deal with various aspects of Kierkegaard's existential approach Its reception will be examined in the works of influential philosophers such as Heidegger, Gadamer, and Habermas as well as in lesser-known philosophers

from the interwar period such as Jean Wahl, Lev Shestov and Benjamin Fondane. Other chapters reconsider central notions such as anxiety, existence, imagination and despair. Finally, some chapters deal with Kierkegaard's relevance for central issues in contemporary philosophy including naturalism, self-constitution and bioethics. This book is of relevance not only to researchers working in Kierkegaard Studies but to anyone with an interest in existentialism and existential thinking.

This Engaging World of E-book Books: A Detailed Guide Revealing the Advantages of Kindle Books: A Realm of Convenience and Versatility Kindle books, with their inherent portability and ease of availability, have freed readers from the limitations of physical books. Thinking Through Kierkegaard Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to

historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Thinking Through Kierkegaard free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Thinking Through Kierkegaard free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Thinking Through Kierkegaard free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Thinking Through Kierkegaard. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Thinking Through Kierkegaard any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Thinking Through Kierkegaard Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works.
