*The Third Secret* Marco De Sio,2022-03-16 In 1968 a Muslim bus mechanic reported seeing a clear apparition of the Madonna at the Coptic Orthodox Church in Egypt Over the next three years Protestants Muslims Catholics and people of all faiths reported seeing similar sightings there According to the Orthodox religion the site of the Madonna's appearances is one of the locations where the holy family stayed during their flight to Egypt Did the Madonna really appear For the most part non Catholics believe earthly appearances by the Madonna are Demonic in nature However they widely accept that Samuel was brought up from the dead 1 Samuel 28 Given that it's arguable the Madonna could be sent by Her son as a messenger which is the premise of this fictional three part trilogy book An Italian immigrant named Big Al comes to America at the turn of the twentieth century in pursuit of his dreams He becomes associated with some of the biggest Mafia gangsters of the day helps elect a president and serves as a US envoy between the president and the pope during which time he hides a shocking and powerful secret the Third Secret of Fatima given in 1917 by the Madonna to a future nun In the late 2000s reporter John Tate is lured into a search for the still hidden secret He is met by opposing Freemasons wanting a new world order The more he digs the more questions Tate has Why has the Vatican kept quiet about the Third Secret of Fatima since 1917 Was Pope John Paul I murdered in 1978 after just thirty three days in office Did Pope Benedict XVI resign because he

was being blackmailed Was the current pope validly elected Has the Prophecy of Popes correctly predicted 112 popes in a row Is there to be only one more pope after this one During his investigation Tate gets help from two unlikely people Big Al's son Giuseppe a former American diplomat himself and a priest who as a boy claims to have been visited by the Madonna The fate of the world hinges on the answers they uncover *The Fatima Secret* Michael Hesemann,2008-12-18 The truth about the vatican's most impenetrable secret hidden for over eighty years On May 13 1917 three young shepherds witness a vision of the Virgin Mary and hear the Holy Mother reveal three prophecies Elements of the first two prophecies have already come true the end of World War I the rise of Russia as a superpower and the beginning of World War II The third secret was revealed in the year 2000 its details still shrouded in secrecy and controversy What is the Vatican trying to hide The Lady of Fatima left a final prophecy so powerful that no pope in over eighty years had dared reveal it Why The third secret is contained on a page of parchment written by the last surviving witness to the miracle and hand delivered to the Pope Even now after the Vatican has released their version of the contents of the third secret intense debate rages as to whether the Church has revealed the truth Here for the first time is a complete inquiry into the mystery of Fatima what the three shepherds really witnessed the astonishing turn of their lives the unfolding of the prophecies and how the Fatima Secret has dominated Pope John Paul's reign and changed world history Was the Fatima prophecy a warning to the Pope or a vision so dire it must be suppressed at any cost **Pursuing the Truth about the Third Secret of Fatima** Iain Colquhoun,2019-10-22 Uncovering a message which is currently held by the Vatican Hidden Religion Micah Issitt,Carlynn Main,2014-09-16 Covering secret societies mysterious ancient traditions and the often mistaken history of the world's religious symbols this book takes readers on a tour through the fascinating world of religious symbolism and reveals the most mysterious and misunderstood facets of religion Hidden Religion The Greatest Mysteries and Symbols of the World's Religious Beliefs not only explores the history and origins of widely recognizable symbols like the Christian cross and the Star of David but also introduces readers to more obscure symbols from religious traditions around the world even defunct ones like those of the ancient Aztec and Mayan societies In addition the book discusses the religious secrets found in the major religions including secret societies of Christianity Judaism Islam and Buddhism Containing more than 170 entries the encyclopedia is organized by religious category such as Abrahamic East Asian and African Diasporic religions then alphabetically within each category Each entry is prefaced with a short introduction that explains where and when the religious tradition originated and describes the religion today This information is followed by an analysis of the historical development and use of symbols along with an explanation of connections between symbols used by different religions such as shared astrological symbolism in the form of moon sun or star motifs *Encyclopedia of Fundamentalism: Volume 3 of Religion & Society* Brenda Brasher,2001-10-19 The Encyclopedia of Fundamentalism is the third volume of the acclaimed Religion Society series The Encyclopedia of Fundamentalism follows a broad definition of fundamentalism and covers

fundamentalism across time and place although the emphasis remains on its primary manifestation Protestant fundamentalism in the United States It draws upon the work of historians sociologists religious scholars anthropologists political scientists and others

**The Rule of Benedict** David Gibson,2009-10-13 There was no neutral response to the announcement that the enforcer a k a Cardinal Joseph Ratzinger had been elected Benedict XVI the next pope of the Roman Catholic Church Conservatives saw it as the final triumph of their agenda Liberals were aghast Everyone else wondered what to expect In The Rule of Benedict award winning religion journalist David Gibson argues that by tackling the modern world head on Benedict XVI is gambling that he can make traditional orthodox Catholicism the savior of contemporary society But if the elderly Benedict fails in his battle with modernity what will happen to one of the world s largest religions Gibson shows how the key decisions of this surprising papacy will profoundly impact the future of Catholicism David Gibson is an award winning religion writer and a committed lay Catholic He writes frequently about Catholicism for various newspapers and magazines including the New York Times Boston Magazine New York Observer Commonweal and America and was the religion writer at the Newark Star Ledger Gibson worked in Rome and traveled with the Pope for Vatican Radio in the late 1980 s and has recently co written and co produced two television documentaries on the Catholic Church for CNN He lives in New York City Gibson s ability to provide in depth background about church history theology and hierarchy is of great value to lay readers An important reference for anyone with an interest in the modern papacy Kirkus Reviews
