Thirteenth Disciple:

The Thirteenth Disciple Jack Luchsinger,2011-03-11 In 4 BC two babies were born beneath a brilliant star that shone down on the town of Bethlehem The brilliance of the star was taken as a sign from God Both were destined to survive the purge of Bethlehem One child was Jesus of Nazareth whose Jewish parents fled with their newborn son to Egypt in order to save his life The second child was Marcus Titus He was the son of a Jewish woman and Roman man Knowing that their son faced certain death they hid Marcus among some rocks on a hillside just beyond Bethlehem There he was found by Roman soldiers and sent to Rome to be raised as a Roman citizen This is the story of two star crossed lives One life has been written about extensively its history retold for multiple generations The other life has remained a mystery except to a very few for an equal number of generations Yet both are intimately connected to the Christian faith Chosen by Jesus of Nazareth to write the history of his life and ministry Marcus Titus wrote three gospels two of which are contained in the New Testament This is a story based upon fact inspiration and speculation about the one referred to in the New Testament as the other disciple Within this story are lessons that provide the foundation for life

The 13th Disciple Deepak Chopra,2015-03-31 The New York Times bestselling author of Buddha and Jesus weaves together historical narrative mystery exciting adventure and intrigue in this masterfully told novel that reveals surprising discoveries about the unknown last disciple of Christ and a new understanding of who Jesus was in his final days When a solid gold reliquary missing from a church in Belgium suddenly resurfaces in America a young newspaperman begins to investigate the story At first it seems like just another case of a treasure stolen during World War II that has resurfaced But it soon becomes apparent that much more is at stake Hidden within the medieval reliquary is a gold box that holds a sacred relic a single finger bone from an anonymous saint Why would the remains of someone unknown to the Church be considered holy The search for answers leads to a shocking discovery a dangerous secret known only to a small band of people If one touches the reliquary a sacred vision is received a vision involving a young girl who had a chance encounter with Jesus just before he was crucified The few people who have been blessed with these miraculous messages have banded together into a mysterious school a closed society that preserves this venerated wisdom But their knowledge of the young girl and Jesus is at once so fascinating yet so highly controversial that it cannot be shared with the world This young girl curious about the charismatic man named Jesus embarks on a quest to find out who he really was What she finds the knowledge the society protects is at times far different from the accepted gospels Could this unknown girl be the 13th Disciple the last and truest apostle of Christ

Thirteenth Apostle Michel Benoit,2008-03-03 When his friend Andrei is mysteriously killed on his way back from Rome Father Nil a Benedictine who teaches the Gospel of St John to novices decides to conduct his own investigation The dead priest possessed proof of the existence of a thirteenth apostle and an epistle stating that Jesus was nothing more than an inspired prophet not the Son of God two things that would spell great danger for the Church Father Nil then discovers a previously unpublished account of

the origins of Christianity It tells of the Nazoreans a community excluded from the official Church by Peter and Paul who appear to have thrived until the 7th century playing an important role in the birth of Islam While he pushes ahead with his investigation the Pope s advisors rival factions and secret societies are trying by any means to lay their hands on the priest s findings From the Mossad to Fatah everyone seems to have a very good reason to keep the thirteenth apostle a secret The story of an ancient sect detailed within papyrus sheaves hidden in the caves at Qumran forms the basis of this exhaustively researched novel A captivating and thoroughly researched religious thriller comparable to Umberto Eco s *The Name of the Rose* **DEEPAK CHOPRA'S 13TH DISCIPLE EXPOSED** Dr. George Joseph K PhD,2015-12-06 You can become God is the Biggest Possible Lie and False Promise and the Most Powerful Spiritual and Intellectual Drug to Destroy Global Society *The Disciple* ,1979 *The Thirteenth Apostle* April D. DeConick,2007 April DeConick offers a new translation of the Gospel of Judas one which seriously challenges the National Geographic interpretation of a good Judas [The Thirteenth Apostle: Revised Edition](#) April D. DeConick,2009-06-23 April DeConick offers a new translation of the Gospel of Judas one which seriously challenges the National Geographic interpretation of a good Judas *James Martineau* Abraham Willard Jackson,1900 **The Paths To Immortal** Xin Ban Hong Shuang Xi, With his every move the world is turned upside down *Association Men* ,1925 **The Hidden Keys in the Bible** Vernon Atkins,2022-01-24 Is it really possible to unlock the mysteries of hidden secrets that are contained within the Bible And what would be the reason for God and or his Son to lock up true knowledge of who he and his Son is from his children whom he says he loves very much and wishes that none should perish Could it be that God wants to see if his children would go all out to know him and his Son This would show true love for the parents and God and his Son is no different than any other parent They want to see how much the children loves them and what better way for the child to show the parents that they are very much loved by the children than for the children to obey the parents completely without question For the child at that point when the parent jumps for joy for the child has shown very much respect for his parents our God and his Son are no different than the parents of human children It s almost like when a human parent hears for the first time their child say Papa or Mama It is complete joy to the parents and likewise to the Father and his Son when they see the children taking the time to seek them out to know them firsthand It is the same feeling as the human parents feel when the child says Papa or Mama This is when the Father starts to open up doors that were hidden from the rest of the world This is how he shows you his love for you The Father slowly releases his Spirit Holy a little bit here and there It is only when you begin to put the pieces together that it becomes clear and a key is given unto you and the more you study his Word his Bible he releases more knowledge that is hidden from the rest of the world Remember the more you seek out the Father the more he releases his knowledge to you Study to shew thyself approved unto God a workman that needeth not to be ashamed rightly dividing the word of truth 2 Tim 2 15 What is 2 Timothy 2 15 saying The Father is telling you to not put your trust in man minister to reveal his truth but to seek for him yourself All you need to do is

knock seek and ask with a pure heart and he will come to you and be your God and you will be his son or daughter Those who have ears will hear God bless us all **The Patriarch and the Tsar** William Palmer,1873 *Discovering Jesus' Disciples* James Allen Moseley,2024-06-25 Apart from a few famous stories like Peter walking on water most readers of the Bible have only a vague notion of who Jesus s apostles were and what they did They had incredibly adventurous lives This book gleaned from over a decade of teaching and study takes you on a magic carpet ride with the apostles reveals the world through their eyes and accurately retraces every known step of their lives Imprisoned in Nero s Rome Paul wrote I am an ambassador in chains Apostle means ambassador and these long suffering ambassadors of Christ bore the gospel over tens of thousands of miles from Jerusalem to Africa Europe and Asia They planted churches had heavenly encounters worked miracles wrote all time best sellers were shipwrecked flogged imprisoned and martyred and turned empires and kingdoms upside down This book is a journey of discovery back to the first century experiencing how against all odds these embattled and triumphant ambassadors in chains so perfectly fulfilled the Great Commission of Jesus **The Thirteenth Disciple** Philip Platts,2015-02-28 Sometimes the greatest gifts are the ones left to us As a crowd of angry men spill out of a garden dragging a preacher who has dared to challenge the established order and the misery it has caused a young man follows at a distance But he is spotted by two other men who run back and grab hold of him Terrified the boy wriggles out of the linen cloth he is wearing and runs naked back into the darkness Who was that boy and why was he there The Thirteenth Disciple is the story of fourteen year old Daniel who yearns to make a difference in the world and who unexpectedly comes face to face with Jesus of Nazareth Astonished to be invited to travel the country with him and his disciples Daniel s starry eyed vision of the future soon evaporates when he becomes involved in the running battles with the authorities But he is held together by Jesus s friendship the wonder of his miracles and his determination to stand up for the ordinary people And when he becomes aware of the shattering consequences if he stays faithful to his hero Daniel races through the darkened streets of Jerusalem on the longest of fateful nights knowing he must decide his own future before it is too late **Lewis Grassic Gibbon** William K. Malcolm,2020 Anita Brookner was known for writing boring books about lonely single women Misreading Anita Brookner unlocks the mysteries of the famously depressed Brookner heroine by creating entirely new ways to read six Brookner novels Drawing on Brookner s legacy as a renowned historian of French Romantic art and on diverse intertextual sources from Charles Baudelaire to Henry James Ren e Vivien and Freud this book argues that Brookner s solitary twentieth century women can also be seen as variations of queer nineteenth century male artist archetypes Conjuring a cast of Romantic personae including the fl neur the dandy the aesthete the military man the queer the analysand the degenerate and the storyteller it illuminates clusters of nineteenth century behaviours which help decode the lives of Brookner s twentieth century women This exploration of Brookner s performative Romanticism exposes new depths within her outsider introverts who are revealed as a subversive blend of The historical the contemporary the masculine and the feminine Disciplined by

Jesus Robert Gelinas,2018-06-05 Jesus is alive So why do we follow him like he s not Sometime during the centuries between Jesus time on earth and ours we started to believe that living vicariously through the ancient disciples was the closest we could ever get to being discipled by Jesus But Jesus promised to never leave us or forsake us He is alive and because of his great love for each of us Jesus is ready willing and able to do for us what he did for the twelve Robert Gelinas dives into the Bible to show us the Jesus of the gospels and the Jesus who is alive and yearning to disciple each one of us today Isn t it time we allowed ourselves to be discipled by Jesus
