**Herbert Tom Andrews**

## Teaching Of Addai:

**The Teaching of Addai (Trans from Syriac of Mallepanuta D-Addai Sheliha; Text Taken from the Edition in G Phillips, The Doctrine of Addai...)** [Society of Biblical Literature, Texts and Translations 16, Early Christian Literature 4]. Labubna Bar Sennak,1981 [The Teaching of Addai](#) Labubnā bar Sennāk,1981 [The Teaching of Addai](#) Labubnā bar Sennāk,1981 **The Doctrine of Addai and the Letters of Jesus and Abgar** Jacob A. Lollar,2023-11-10 The Doctrine of Addai tells the story of how Christianity came to the Syrian city of Edessa It incorporates and adapts a correspondence between Jesus and the Syrian king Abgar who wrote to Jesus requesting healing from a long term illness In his response Jesus promises to send him an apostle Addai sometimes called Thaddaeus who will heal Abgar s disease and establish Christianity in his kingdom The exchange between Jesus and Abgar and Edessa s subsequent evangelization by Addai functions as a founding myth for Christianity in the region which likely did become Christian under a later King Abgar in the early third century But the activities and interactions of Addai in Edessa reflect a later time the fifth century when Christians in the East were embroiled in a conflict over reforms enacted by the Bishop Rabbula These complexities of Syrian Christian history are all made clear in the introduction and rich commentary that accompanies this updated English translation of the Doctrine of Addai and related texts including early witnesses to the Abgar Jesus Correspondence in papyri and inscriptions and selections from the Ecclesiastical History of Eusebius of Caesarea the Acts of Thaddaeus and the Acts of Mar Mari **Missionary Stories and the Formation of the Syriac Churches** Jeanne-Nicole Mellon Saint-Laurent,2015-06-19 Missionary Stories and the Formation of the Syriac Churches analyzes the hagiographic traditions of seven missionary saints in the Syriac heritage during late antiquity Thomas Addai Mari John of Ephesus Simeon of Beth Arsham Jacob Baradaeus and Ahudemme Jeanne Nicole Mellon Saint Laurent studies a body of legends about the missionaries voyages in the Syrian Orient to illustrate their shared symbols and motifs Revealing how these texts encapsulated the concerns of the communities that produced them she draws attention to the role of hagiography as a malleable genre that was well suited for the idealized presentation of the beginnings of Christian communities Hagiographers through their reworking of missionary themes asserted autonomy orthodoxy and apostolicity for their individual civic and monastic communities positioning themselves in relationship to the rulers of their empires and to competing forms of Christianity Saint Laurent argues that missionary hagiography is an important and neglected source for understanding the development of the East and West Syriac ecclesiastical bodies the Syrian Orthodox Church and the Church of the East Given that many of these Syriac speaking churches remain today in the Middle East and India with diaspora communities in Europe and North America this work opens the door for further study of the role of saints and stories as symbolic links between ancient and modern traditions *Crucified* J. Christopher Edwards,2023 The accusation that Jews executed Jesus is perhaps the most overlooked of all Christianity s troubling traditions In this study J Christopher

Edwards shines a light on this forgotten tradition in which Christians rewrite their history to blame Jews for the crucifixion of Jesus

**Liturgy of Sts. Addai and Mari** St Addai of Edessa, 2019-06-23

St Addai is purported by Eusebius to have visited King Abgar of Edessa healing him and preaching to him. The Syriac account of this story is titled the Teaching of Addai and there are questions about its historicity. The story possibly dates instead from the third century and may have been used in polemics against the Manichaean apostle also named Addai. The Syriac liturgy referred to as the Liturgy of Addai and Mari which originated around the year 200 A D and is used by the Assyrian Church of the East claims a connection to this saint.
