Hearts at Stake G.L. Giles,2010-09-24 As the number of my adult short stories songs and poems has grown considerably many of them have been previously published in magazines etc I decided it was high time to gather many of them together into an anthology that has a cohesiveness about it of oftentimes exposing the truth of the human heart through a fictional or fictionalized setting characters etc Hence the title Add to that Ive included two articles one on even more marketing advice and the other about how I was able to successfully lose weight as a vegetarian Plus there are other surprises included within that youll just have to discover for yourself Praise for the Writing of G L Giles I will begin by saying that one of the best things about Giles writing is that she defies tradition and she expresses herself in whatever form or style she wishes I feel that she creates her own rules regarding her writing and I respect the hell out of that I enjoy her live and let live policy which constantly shines through her writing and I think she is one of the most honest and open writers that I have read She is very comfortable with whom she is and that peace about her gives her words great power Peter Syslo for Infernal Dreams <http://www.infernaldreams.net/mindyourpsandqs.html>

Mind Your Ps and Qs G. L. Giles,2008-12 There has been frequent debate about what Mind Your Ps and Qs really means It has come to mean a lot to me over the years as minding my own Ps and Qs not the dogma of stale thought became what is truly important to me So I have come up with my own definition of Ps and Qs meaning Poetry and Quotes Specifically my own poetry and quotes which I hope will empower others as they have me In addition I ve included a short story entitled Stripper Witch and an article entitled More Marketing Advice which will hopefully benefit not only nontraditionally published authors but those traditionally published as well
