The Hidden Lives of Congregations Israel

Galindo, 2004-11-30 Faced with crisis lack of direction or just plain stuckness many congregations and their leaders are content to deal only with surface issues and symptoms only to discover that the same problems keep recurring often in different and more serious ways In *The Hidden Lives of Congregations* Christian educator and consultant Israel Galindo takes leaders below the surface of congregational life to provide a comprehensive holistic look at the corporate nature of church relationships and the invisible dynamics at play Informed by family systems theory and grounded in a wide ranging ecclesiological understanding Galindo unpacks clearly the factors of congregational lifespan size spirituality and identity and shows how these work together to form the congregation's hidden life He provides useful tools for diagnosing and understanding how one's congregation fits into the various categories he names and suggests what leadership skills are necessary to get beyond the impasse of surface issues and help the congregation achieve its mission *The Hidden Lives of Congregations* provides one of the most far reaching looks into the invisible nature of faith communities written in recent years For seminaries and divinity schools it provides a standard text for getting a solid start in congregational practices for experienced pastors it provides support for renewing ministry for lay leaders and committees it offers insight to deepening mutual ministry Israel Galindo has written an indispensable manual that leaders will return to repeatedly for new wisdom and guidance

The Nuts and Bolts of Church Planting Aubrey Malphurs, 2011-02-01

Most books on church planting offer a model for churches to replicate usually one that is tied to a particular style generation or demographic But what churches really need is a process that is flexible not bound to a particular time or current fad In *The Nuts and Bolts of Church Planting* trusted author and church planting expert Aubrey Malphurs shares the basic steps any church planter will need regardless of his or her generation now or in the future These steps include establishing values mission vision and strategy reaching the community making disciples recruiting a team determining location and facilities raising money for the ministry With instant practical takeaway based on proven techniques this book will be invaluable to any church planter

How to Hit the Ground Running Neal O. Michell, 2024-09-03

The definitive guide to changes in congregational leadership revised to reflect the needs of today's church Designed for the clergy and lay leadership of congregations in the midst of transitions this volume offers a quick start guide to help clergy and lay leadership with topics from defining mission to developing effective decision making processes *How to Hit the Ground Running* contains a program for an effective leadership change that begins one month before a transition and continues for the first eighteen months of a

new pastor priest or rector's tenure With this revision author Neal Michell has updated the text throughout to reflect current concerns of church leaders including more coverage of leadership in small congregations and approaches to empowering lay leaders Designed in a user friendly format the volume includes step by step guidance and exercises to ensure that rather than being stalled and directionless a period of transition is dynamic and purposeful

Transitioning from an Ethnic to a Multicultural Church Byoung Ok Koo, 2019-12-20 Multicultural churches help us understand God's will for us to become one in this multicultural world and experience a heavenly gathering in advance This book based on case studies of four multicultural churches provides insights and knowledge regarding minority dominant multicultural churches in the United States Many multicultural churches in America are mainly concerned about racial reconciliation between the white and the black On the other hand resources concerning minority dominant multicultural churches are scant With the special attention on Korean immigrant churches this book contributes to the body of knowledge regarding minority dominant multicultural churches Specifically this book provides a model transition process called the Windmill T process to facilitate the movement of monocultural monoethnic churches in taking steps towards acquiring the characteristics of multicultural churches In addition this book touches on the issue of evangelism in the multicultural church Although there is limited insight the book describes what factors first draw different racial ethnic people to a church and what factors cause them to stay there All in all this book will guide you to a deeper understanding on multicultural churches and its practices for all nations beyond ethnic racial identities

Mission of the Church Jerome Boone, Jerald Daffe, William Effler, Henry Smith, 2018-05-30 What is the mission of the corporate church What is the mission of local churches regardless of denominations What is the reason for the existence of the local church These three questions not only deserve consideration by leadership but also need to be understood by the entire membership to enable productive kingdom work It is so easy for a congregation to develop programs and activities based on what other groups are doing or on what are the perceived needs of the moment These do have value however they tend to be based on our human concepts rather than the directives of Scripture Terry Cross Dean of the School of Religion at Lee University describes this book as follows Another book on the church This one is different Thirteen seasoned professors with some 400 years of combined ministerial experience engage various aspects of the mission of the church Much like the pulse that beats from a strong heart the idea of partnering with God's mission as transformed participants in God's work reappears throughout the chapters While the focus of attention is different for each author the theme beats the same pulse throughout the mission of God is the heart of God and must be the heart of the church With additional contributions from Bob Bayles Terry Cross Rolando Cuellar Tom Doolittle Jimmy Harper John Lombard Lisa Long Edley Moodley Mark Walker

Money Matters in Church Aubrey Malphurs, Steve Stroope, 2007-07-01 Money Matters in Church helps leaders to discover a one stop comprehensive model for managing finances and fundraising It guides leaders of any size church or ministry to create a culture of giving that supports savvy faithful and legal financing The authors present a

biblical theology of stewardship that supports ways to develop donors and maximize contributions enact a strategic budget and effective audit process project income and expenses work with banks compensate staff and address debt The book s practical step by step approach makes finance issues understandable for leaders without a business background

Connections Gustavo V. Suarez,2004 Many pastors staff and lay leaders want to know how to take the gospel of Christ to the world This book outlines six principles to reproduce spiritually healthy dynamic churches which reproduce themselves in their communities and around the world
