Wild Game Cook:

Red, White & Everything Else Timothy Kraskey, Northern Wilds, 2020-10-25 The recipes in this cookbook call for wild game but you can substitute any red meat you'd like for the elk venison antelope buffalo or beef and it will still be delicious For the white meat recipes you can use turkey pheasant grouse or chicken The remainder of the book consists of rubs marinades vegetables fish rice or pastas I like to cook most game meats on a charcoal or pellet grill If you don't have the time the next best way is on a gas grill or in the oven Charcoal or pellets just adds its own special flavor especially if using flavored woods like oak cherry or apple to add another layer of flavor Some of the recipes are Asian inspired and lend themselves to using a wok or large skillet When it comes to herbs fresh is best I do often use dried spices too but fresh ones always have a more robust flavor Most wild game meat has very little to no fat so many of these recipes use bacon to add fat and flavor Adding some fat also helps keep the wild game meat from drying out And besides who doesn't like bacon <https://shop.northernwilds.com/collections/books-products/red-white-and-everything-else-wild-game-cooking-at-its-best>
