**Children's Fiction Sourcebook** Margaret Hobson, Jennifer Madden, Ray Prytherch, 2018-12-17 First published in 1992 this Sourcebook is a basic working tool for all those concerned with children's reading. It will help librarians and teachers to select a comprehensive stock of children's fiction for their institutions. The authors in the sourcebook have been selected on the grounds of importance, popularity and current availability. Author entries are arranged in alphabetical order and indexes provided by title, series, age range and genre. Each entry consists of some background information and evaluative comment on style of the book, a list of the author's books with publisher, date and price and literary agent where applicable. There is a suggestion of similar authors, sequels, related series and reader age range. **South African National Bibliography**, 1992. Includes publications received in terms of Copyright Act no 9 of 1916. **The Cumulative Book Index**, 1991. A world list of books in the English language. The British National Bibliography Arthur James Wells, 1992. **Elvis Presley – The King of Rock'n Roll** Aliado Nepson, Elvis Presley's life did not begin on a grand stage but in a tiny house in Tupelo where a quiet boy grew up surrounded by gospel harmonies, hard work and the ache of wanting more. This book follows his story from the inside out, not as a myth repeated for decades but as the lived journey of a young man discovering the force inside his own voice. We walk with Elvis into the warm, echoing rooms of Sun Studio where a shy, unpredictable session suddenly changed the sound of American music. We watch him stumble, improvise and ignite something new, a mix of blues, gospel and country that didn't fit any shelf but would end up defining a generation. From his explosive breakthrough in 1956 to the chaotic tours, the television battles, the Hollywood interlude, the triumphant '68 Comeback and the glimmering highs and heavy lows of the Vegas years, this book paints a vivid human portrait of a man balancing fame, pressure, creativity and longing. It explores the cultural fault lines Elvis stepped across: race, class, youth rebellion and shows how his music became a meeting point for worlds that had been kept apart. Yet it also reveals the private Elvis: the son who never stopped calling home, the artist searching for control in an industry that always wanted more, and the performer who gave every stage his entire body and breath. More than a biography, this is the story of how an ordinary Southern boy became the King of Rock n Roll and how America was never the same after him. Perfect for fans of music history, American culture and truly intimate artist biographies. *The Sporting Goods Directory*, 1938. **In the Doghouse** Jan Needle, 1988-01-01.
